Ohio Right To Life Voter Guide:

The Values Campaign? John C. Green, Mark J. Rozell, Clyde Wilcox, 2006-08-17 The Christian Right never ceases to surprise professional observers of American politics. With the Christian coalition in disarray, many expected that the movement would play less of a role in the 2004 elections. But when exit polls reported that moral values were the most commonly cited reason for presidential vote choice, pundits immediately proclaimed the importance of the values vote. Yet the role of the Christian Right of statewide referenda on same sex marriage and of religious mobilization remained the subject of debate. *The Values Campaign: The Christian Right and the 2004 Elections* reaches well beyond the instant analyses of the post election period to provide an assessment of the role of the religious right in 2004. The contributors to this volume are among the leading scholars of religion and politics in the United States and many have contributed for over a decade to ongoing discussions of the role played by the religious right in national elections. The authors consider national mobilization and issues and also explore the role of the Christian Right in specific states. Their evaluations contend that the values campaign was not an aberration but a consistent pattern of national politics and that moral traditionalism will likely continue to be a significant factor in future elections. A timely study of the 2004 elections, this volume will appeal to scholars and observers of electoral politics, state politics, and religion and politics.

The Change Election David Magleby, 2011 A thorough assessment of how the 2008 elections were financed and conducted.

God at the Grassroots 2016 Mark J. Rozell, Clyde Wilcox, 2017-11-02 In *God at the Grassroots 2016: The Christian Right in American Politics*, a distinguished group of political scientists, many of whom have been studying the Christian Right for more than two decades, assess the 2016 elections from the standpoint of religious conservative activism. These elections, more than any that they have analyzed, best tell the story of the resilience of this movement and its enduring importance. The contributors address the evolution of the religious right movement for more than two decades and focus primarily on the movement's role in the 2016 elections. The first section examines the broader national context with chapters on the Republican nomination campaign, the general election, and the relationship between the religious right and the tea party. The second section comprises state-specific chapters focusing primarily on the crucial states in the 2016 presidential contest. They conclude with lessons learned from the studies of the religious right in the elections from 1994 through 2016 and address directions for continued research on the subject.

Contributions by Joseph Cella, Kimberly H. Conger, Matthew Corrigan, Paul A. Djupe, Christopher P. Gilbert, James L. Guth, Donna R. Hoffman, Ted G. Jelen, Alexander Jensen, Christopher W. Larimer, Mikael Pelz, Sucheta Pyakuryal, Carin Robinson, Mark J. Rozell, Corwin E. Smidt, Oran P. Smith, Kenneth D. Wald, Clyde Wilcox, and Abigail Zofchak.

Federal Election Commission v. Wisconsin Right to Life, Inc. (2007). United States Supreme Court, 2007.

We Gather Together Neil J. Young, 2016 Tracing the interactions among evangelicals, Catholics, and Mormons from the 1950s to the present day, *We Gather Together* recasts the story of the emergence of the Religious Right, showing that it was not a brilliant political strategy of compromise.

and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years Dollars for Life Mary Ziegler,2022-06-21 A new understanding of the slow drift to extremes in American politics that shows how the antiabortion movement remade the Republican Party A sober knowledgeable scholarly analysis of a timely issue Kirkus Reviews As Mary Ziegler shows us in this incisive and important book anti abortion activists have shaped the GOP in ways that even they could not have anticipated Everyone interested in the past and future of American politics should read this book Laura Kalman University of California Santa Barbara The modern Republican Party is the party of conservative Christianity and big business two things so closely identified with the contemporary GOP that we hardly notice the strangeness of the pairing Legal historian Mary Ziegler traces how the anti abortion movement helped to forge and later upend this alliance Beginning with the Supreme Court s landmark decision in Buckley v Valeo right to lifers fought to gain power in the GOP by changing how campaign spending and the First Amendment work The anti abortion movement helped to revolutionize the rules of money in U S politics and persuaded conservative voters to fixate on the federal courts Ultimately the campaign finance landscape that abortion foes created fueled the GOP s embrace of populism and the rise of Donald Trump Ziegler offers a surprising new view of the slow drift to extremes in American politics and explains how it had everything to do with the strange intersection of right to life politics and campaign spending **True to Life** Janet L. Folger,2000 The incredible story of a young woman who spoke up for the unborn and found herself in the national spotlight As this desperate battle continues to rage God has placed at its epicenter the most unlikely of persons Janet Folger who used to be afraid to speak period let alone to speak out on abortion But there she was as a young single woman fighting for and winning passage of the nation s first ban on partial birth abortion In the midst of making you laugh Janet energizes you with renewed hope and a creative action plan for success in the human rights movement of our time **The Abortion Rights Controversy in America** N. E. H. Hull,Williamjames Hoffer,Peter Charles Hoffer,2004 Abortion Rights Controversy in America A Legal Reader **Almanac of Federal PACs** ,2000 *West's Federal Supplement* ,2000 Cases decided in the United States district courts United States Court of International Trade and rulings of the Judicial Panel on Multidistrict Litigation **National Journal** ,2007 **The Religious Right and the 1994 Election** ,199? **Materials on Corporate Political Activity** ,1979 **Press Summary - Illinois Information Service** Illinois Information Service,1996 *Handbook of Campaign Spending* Dwight Morris,Murielle E. Gamache,1994 *Crisis* ,1991 A journal of lay Catholic opinion *Update 1981* Arleen Keylin,1981 **The Tablet** ,2004 The international Catholic weekly Chalcedon Report

,1994 **A Life of Clement L. Vollandigham** James Laird Vollandigham,1872
