Informed by analysis from classic and state of the art folklore scholarship anthropological poetics ethnic studies and recovery research on the Great Irish Famine 1845-1852 this scholarly monograph serves as a collection and analysis of as remembered Irish American folklore from New England and as such is an unparalleled study of Irish American historical memory The primary research materials have been gathered from the descendants of Irish born emigrants who settled in New England after 1845 Many of the informants have a heritage of mentifact or verbal art sociofact or behavioral tradition and artifact or remains of a material culture Scholars will have at their disposal a detailed study of Irish verbal art by which to understand how certain characteristics of an ethnic group consciousness have been defined and replicated in practice over time Types of Famine related and post Famine folkloric forms continue to define aspects of Irish American ethnic consciousness The massive

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
