D

During the period of the Catholic Kings, Spain undertook a policy of financing maritime explorations, rivaling power with Portugal.

2) My tropical heart is covered in snow, but it boils in its frozen vault, the voice vibrates and the hand writes sea.

In your hands you held my world. From your gestures, infinite stars flowed for me...
(Sophia de Mello Breyner Andresen) (C)

4) Carrot cake recipe

Ingredients

Mass / 3 units of chopped carrot

1 cup of soybean oil

2 cups of sugar / 1 tablespoon of baking powder (D)

5) The Brazilian passport is the official document, issued by the Federal Police Department, which identifies the Brazilian citizen before the authorities of other countries.

My soul wandering to dream of you is lost, my eyes are blind from seeing you...
(Beat) (C)

7) The coach conducts tactical training and repeats the formation that drew the last match.

8) Be careful, the walls have ears.

9) Oh, Heart! Very sad clown! (Cruz e Sousa)

This medication is indicated for the relief of the inflammatory manifestations of dermatoses, when complicated by secondary infection.

Identify the segment in which figurative language was NOT used:

- a) Reading the future in the past of politicians (...)
- b) The sources were the ones that were going to drink in their ears.
- c) There were 75 lines that flowed from the typewriter with mechanical regularity.
- d) Before noon, the column was ready.
- e) (...) capable of cutting with the elegance of a foil stroke.

Comment: There are only words in denotative meaning in the assertion (D). In this option, there was a reference to the time that day, as well as the conclusion of the column.

In the other options:

- a) The expression 'reading the future' reveals the figurative tone of the sentence;
- b) By saying that 'the springs were going to drink', we have the figure of speech known as personification or prosopopoeia, characterizing figurative language;
- c) there is the resource of hyperbole (figurative language) in 'times that pushed';
- e) the expression 'to cut with the elegance of a foil stroke' also characterizes a stylistic resource of the author, giving a figurative tone to the context.

concepts and students of linguistic theory *A Global Pandemic: Ripple Effect of COVID-19* Mansoureh Ebrahimi, Uygar Aydemir, 2022-05-12 The COVID 19 pandemic has rapidly affected our communication and lifestyle and upended all regular routines of daily life. Social distancing, economic disruption and challenges to public health brought about a new order of government policies. Besides social responsibilities, adapted many new norms due to the measures taken by authorities to control the spread of the pandemic. The current global situation offers an opportunity for joint communal effort at national and international levels along with social awareness and commitment to official instructions. Significant enquiries given in this book from Asian and Middle Eastern countries address attendant issues concerning the COVID 19 pandemic and the specific roles played by government policy, public awareness, social behaviour and the role of technology during the pandemic. Selected papers from Current Trends in the Middle East Virtual International Joint Conference on COVID 19 Global Impacts V The 4th ICCTME 2021 9 10 March 2021 discuss how leaders at all levels battled the pandemic and their concerted efforts successfully confronted the crisis and avoided panic. This theme implies several layers of strategic planning which as a whole have attempted at shaping the society in a way to reduce the risk of COVID 19 transmission while assuring integrity, obtaining national solidarity and reinforcing public trust in governments. Additional investigations in the book analyze the role of technology and pivotal approaches in accordance with the need to embrace the Fourth Industrial Revolution IR4.0. We hope that this approach will open the floor for attracting novel contributions from great minds with an awareness of protecting cultural heritage. In particular, specific attention is given to examining the role of technology usage in mediating the interaction between people and institutions for sustainable living including the interaction between all members of society and technology. Along the same lines a connotative analysis provides insight into how and why the application of smart digital infrastructures into hospitals and houses might prevent contagious diseases in the COVID 19 era. Our authors highlight key trends and insights from different perspectives and discuss various strategies and roles adopted by local and international institutions. Willingness to learn from others is the idea behind this book. In the light of this idea, organized preparations and well-coordinated initiatives produced favourable results in this collection. Through its discussion of the current crisis management via a wide range of information and experiences in sharing knowledge, experiences and skills from Malaysia, Indonesia, Iran, Pakistan, Turkey and Palestine, this book aims to be a part of the scientific environment that deliberates to decrease the number of infections and deaths in relation to the COVID 19 pandemic.
