

## DESIGNING FOR ALL AGES & ABILITIES

Every design must meet the needs of a diverse range of potential bike riders. Across North America, however, many existing bike facility designs provide enough comfort for only the luckiest people taking and pedaling many who might otherwise not.

As an open & accessible resource to all, this book provides a guide to design for all ages and abilities. It is a resource to all, from the most experienced to the most novice. It is a resource to all, from the most experienced to the most novice. It is a resource to all, from the most experienced to the most novice.
