

Three Stanzas For Love

**I) our thoughts and laughter
drowned in blood
to the organs of stone
which can't be wrapped
with the skin of a cold snake
I was like a naked stone
and she was trembling in my coldness
when we were going besides the shaded leaves
no stone has talked about grief**

**and just there
it was love!**

**II) they say death is painful tough
but for me death is easy
and it's easier
when you die at someone Else's expense
and the expense is
love!**

III)

**I smile alone
sometimes I cry
in a rain drenched night
I often accompanied by thousand and one dreams
the golden ship of dream**

**have you looked through the window?
to see the deer colored sky?
have you walked that road
to feel the fragrance of a late blooming flower
have you seen the last sunrise?
to know that there is still hope.....**

if yes then,

**we(you and I) must know
if death comes,
it comes second
and what comes first is.....
love!**
