to race the new altered wheelbase cars in match races for 1965 as the NHRA did not have a class for these new funny looking cars While Leal dabbled again with Ford and Chevrolet later his relationship with Chrysler lasted well into the following decades running both Funny Cars and Super Stockers Penned by talented automotive historian Bob McClurg who was there for it all and featuring full collaboration with the book's subject Butch The California Flash Leal covers the span of his fascinating career during arguably the most interesting era in drag racing history Butch was an 11 time NHRA champion and 4 time recipient of Car Craft Magazine's All Star Driver of the Year award in a career that spanned the 1960s through the 1990s It's all here the events great vintage photography and the stories from one of the best storytellers the NHRA has ever known Add this entertaining volume to your drag racing library today
