Food and Nutrition Information Guide Paula Szilard, 1987. English language reference sources on human nutrition, dietetics, food science and technology and related subjects (e.g. food service). Materials older than 10 years and works on animal nutrition are included only if useful in the area of human nutrition. Contains 936 references. Author, title, subject indexes.

Nutrition Education Resource Guide, 1982. Abstract: A resource guide lists evaluated nutrition education materials available nationwide with special emphasis for the Women, Infants and Children and the Commodity Supplementary Foods Programs. The format is designed to assist in selecting, acquiring and developing materials accurate and appropriate for WIC/CSFP participants. Every entry consists of an abstract, descriptors and an appraisal plus information on format, cost and availability, a reading level based on Edward Fry's Readability Formula, that saves time. Given for most printed materials listed. Two appendices provide the guidelines used to evaluate the materials and the evaluation work sheets.

kbc **Directory of Food and Nutrition Information Services and Resources** Robyn C. Frank, 1984. Directory intended to assist nutritionists and other interested professionals as to sources of food and nutrition information. Emphasis is on management, education, food science and related aspects of applied nutrition.

Arranged under nine chapters dealing with such topics as databases, reference materials and organization and agencies. Each entry gives description, subject, geographical organization and program indexes.

Resources for Early Childhood Hannah Nuba, 1983. Abstract: A reference text for education and child health care professionals and parents. Presents authoritative essays and appended annotated bibliographies by experts in various aspects of early childhood. The topics include pregnancy, birth and the first year of life, child development, the role of the family, parenting, the interrelationships of parents and children, health, nutrition, including feeding practices, children's play, child care and its settings, and options, the special needs of a child, and various facets of childhood education, literature, multicultural education, nonsexist education, and the influences produced by viewing films and television.

Within each topic, brief essays by different professionals cover different aspects of the topic. The bibliography for the topic lists books and government publications about the subject. An extensive listing of pertinent newsletters, US organizations, information clearinghouses and periodicals relative to childhood education also is included.
