DIG DEEP: Daily Guide to Becoming an Effective Christian Leader Dr. Jaria C. Aljoe, 2019-11-11 It is not uncommon for Christian leaders to focus on developing and pouring into others. Daily devotions help to avoid this pitfall and ensure that the Christian leader remains infused with the strength needed to carry out God-given assignments. DIG DEEP is a daily guide that positions the Christian leader to maximize quality time with God. Each devotion affords the reader the opportunity to reflect on Christian leadership principles from a Biblical perspective. This 365-day devotional is sure to fan the flames of your passion for Effective Christian Leadership. The reader will discover a successful approach to maintaining a connection with God while leading God's people.

Language and Popular Culture in Japan Brian Moeran, 2010-10-18 When this book was originally published, it was the first work of its kind to examine the way in which language is used to express the myth of advertising slogans and other popular cultural forms. By making use of general theories from the disciplines of anthropology, linguistics, media studies, and semiotics, the book attempts to demystify Japanese culture as it has been hitherto presented in the West and shows how such cultural forms as noodle westerns and high school baseball uphold the well-known ideologies of selflessness, diligence, compliance, and co-operation typically associated with the Japanese. Ultimately, the book poses the question: are those whom we call the Japanese real people in their own right, or merely a nation acting out a part written for them by Western civilisation? **The Law Reports** Incorporated Council of Law Reporting for England and Wales, 1882
