them These were common dinner table conversations while I was growing up So needless to say I have had a lot of practical training with respect to taking care of different breeds of animals Sometimes I learnt from my family and sometimes your pet will just tell you what he or she needs Today I am in a very privileged place where I can share this information with pet lovers across the globe I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father my family and of course my beloved cats     The Cat Repair Handbook Howard
