

DAVID MALOUF

Author of REMEMBERING BABYLON

## An Imaginary Life

*"A brilliantly inventive novel . . . Malouf puts on a dazzling literary display in this arresting, original, lyrical work."—Wall Street Journal*

# An Imaginary Life

**G Psacharopoulos**

## **An Imaginary Life:**

An Imaginary Life David Malouf, 2012-11-30 In the first century AD Publius Ovidius Naso the most urbane and irreverent poet of imperial Rome was banished to a remote village on the edge of the Black Sea From these sparse facts one of our most distinguished novelists has fashioned an audacious and supremely moving work of fiction Marooned on the edge of the known world exiled from his native tongue Ovid depends on the kindness of barbarians who impate their dead and converse with the spirit world But then he becomes the guardian of a still more savage creature a feral child who has grown up among deer What ensues is a luminous encounter between civilization and nature as enacted by a poet who once catalogued the treacheries of love and a boy who slowly learns how to give it *The Poetry of William Wordsworth and An Imaginary Life* by David Malouf Emma Driver, 2001 On Post-Colonial Futures Bill Ashcroft, 2001-09-01 In this groundbreaking work Bill Ashcroft extends the arguments posed in *The Empire Writes Back* to investigate the transformative effects of postcolonial resistance and the continuing relevance of colonial struggle He demonstrates the remarkable capacity for change and adaptation emanating from postcolonial cultures both in everyday life and in the intellectual spheres of literature history and philosophy The transformations of postcolonial literary study have not been limited to a simple rewriting of the canon but have also affected the ways in which all literature can be read and have led to a more profound understanding of the network of cultural practices that influence creative writing **Imaginary World** Aditi Srivastava, It would not be completely wrong to say that a person is not satisfied despite getting everything A person can be satisfied only when he is happy in whatever he has it means he does not want more Similarly the Co authors of the book have tried to explain satisfaction through their contents The title of the book has been given in the name of compiler Trapti Gupta and this book has been dedicated to her The book has been composed focusing on the meaning of her name We hope that the readers will definitely like this book
