An Introduction Into Learning About Yourself And Others Leo:

Logic as a Liberal Art R. E. Houser, 2019-12-10 In the twenty first century there are two ways to study logic The more recent approach is symbolic logic The history of teaching logic since World War II however casts doubt on the idea that symbolic logic is best for a first logic course Logic as a Liberal Art is designed as part of a minority approach teaching logic in the verbal way in the student's natural language the approach invented by Aristotle On utilitarian grounds alone this verbal approach is superior for a first course in logic for the whole range of students For millennia this verbal approach to logic was taught in conjunction with grammar and rhetoric christened the trivium The decline in teaching grammar and rhetoric in American secondary schools has led Dr Rollen Edward Houser to develop this book The first part treats grammar rhetoric and the essential nature of logic Those teachers who look down upon rhetoric are free of course to skip those lessons The treatment of logic itself follows Aristotle's division of the three acts of the mind Prior Analytics 1 1 Formal logic is then taken up in Aristotle's order with Parts on the logic of Terms Propositions and Arguments The emphasis in Logic as a Liberal Art is on learning logic through doing problems Consequently there are more problems in each lesson than would be found for example in many textbooks In addition a special effort has been made to have easy medium and difficult problems in each Problem Set In this way the problem sets are designed to offer a challenge to all students from those most in need of a logic course to the very best students

"If You Love Me, You Will Do My Will": The Stranger-Than-Fiction Saga of a Trappist Monk, a Texas Widow, and Her Half-Billion-Dollar Fortune Stephen G. Michaud, Hugh Aynesworth, 1990-03-01 A bizarre story full of intrigue and machinations over a half billion dollar fortune with a cast of characters that might have been invented by Balzac Richard Lindsey author of The Falcon and the Snowman This is a story of a vast cattle and oil fortune left hanging by the thread of a widow's dying wish a story of prodigious egos and ambitions competing for the fortune before the widow was even buried a story about a legal battle that has lasted a quarter century and has swept like a range fire from dusty cow town courtrooms to the marble halls of the Vatican pitting captains of industry against princes of the Church And if it had happened anywhere other than Texas you probably wouldn't believe a word of it Sarita Kenedy East was the aging melancholy mistress of a cattle kingdom as big as Rhode Island La Parra 400 000 acres of South Texas rangeland next door to the fabled King Ranch She was the last Kenedy And although she cherished the huge ranch founded by her grandfather her life there oppressed her Mrs East's only solace was in her memories her abiding Catholic faith and her nightly tumbler of scotch In 1948 Sarita received a surprise caller a young and charismatic Trappist monk Brother Leo the alleged Svengali of this saga who had been sent out from his monastery in New England to scout potential sites for new Trappist monasteries

and to find rich Catholic donors to pay for them In time he discovered what Sarita herself did not know that under her lands lay an ocean of oil worth hundreds of millions of dollars Brother Leo had a gift for persuasion He became the lonely widow s spiritual counselor and before she died she made him trustee of a charitable foundation that he says was meant to help the poor of Latin America But Brother Leo ran into some formidable opposition Sarita s vengeful relatives in Texas Fortune 500 industrialist J Peter Grace and the Catholic Church itself all had other plans for the giant estate If You Love Me You Will Do My Will based upon two decades of investigative reporting and interviews with almost every major character details this extravagant drama an epic even by Texas standards Some images in this ebook are not displayed owing to permissions issues
