Audiences and Intentions Nancy M. Bradbury, Arthur Quinn, 1994 **Audiences and Intentions** Nancy M. Bradbury, 1997-02 *The Philosophy of Argument and Audience Reception* Christopher W. Tindale, 2015-04-30 This book approaches the topic of argumentation from the perspective of audiences rather than the perspective of arguers or arguments *Acts of Arguing* Christopher W. Tindale, 1999-11-04 Approaches recent innovations in argumentation theory from a primarily rhetorical perspective **Advocacy and Opposition** Karyn Charles Rybacki, Donald Jay Rybacki, 2004 Advocacy and Opposition offers a comprehensive and practical approach to argumentation and critical thinking This book provides a theoretical view of the nature of argument in our society a discussion of arguing as a form of communication and a focus on how arguments are created using the Toulmin model of argument Opening Arguments Erik Muller, Eric Muller, 1993 *Intentions* Arabella Lyon, 1998-09-15 The relationship between an author's and an audience's intentions is complex but need not preclude mutual engagement This philosophical investigation challenges existing literary and rhetorical perspectives on intention and offers a new framework for understanding the negotiation of meaning It describes how an audience's intentions affect their interpretations shows how audiences negotiate meaning when faced with a writer's undecipherable intentions and defines the scope of understanding within rhetorical situations Introducing a concept of intention into literary analysis that supersedes existing rhetorical theory Arabella Lyon shows how the rhetorics of I A Richards Wayne Booth and Stanley Fish as well as the hermeneutics of Hans Georg Gadamer fail to account for the complex interactions of author and audience Using Kenneth Burke's concepts of form motive and purpose she builds a more complex notion of intention than those usually found in literary studies then employs her theory to describe how philosophers read Wittgenstein's narratives metaphors and reversals in argument Lyon argues that our differences in intention prevent consistency in interpretations but do not stop our discussions deliberations and actions She seeks to acknowledge difference and the communicative problems it creates while demonstrating that difference is normal and does not end our engagement with each other Intentions combines recent work in philosophy literary criticism hermeneutics and rhetoric in a highly imaginative way to construct a theory of intention for a postmodern rhetoric It recovers and renovates central concepts in rhetorical theory not only intention but also deliberation politics and judgment *Argumentation and Values*, 1995 *Argumentation and Advocacy*, 2004 Narrative and Logical Argument Messages that Persuade the High Willingness Target Audience to Become Potential Organ Donors Jenifer E. Kopfman, 1995 Investigating Arguments Walker, 1995-07 An Argument Made Before the American Medical Association at Atlanta, Ga., May 1879, Against the Proposed Amendment to the Code of Ethics Restricting the Teaching of Students of Irregular Or Exclusive Systems of Medicine Dunster, 1879 *Critical Thinking and Communication* Barbara Warnick, Edward S.
