

Seventh-day Adventist Sabbath School Bible Study Guide for the First Quarter of 2022

This is a review of the entire Seventh-day Adventist Adult Teachers Sabbath School Bible Study Guide (SBSBG) for the first quarter of 2022 under the Theme Last Days: the Message of Holiness.¹ In this SBSBG, eight different Bibles were used two of which are Roman Catholic Bibles. I counted the number of verses each was used. I did not count those verses as my count could be off a little. I did not count Bibles quoted in quotations from various books. When a verse appears in a verse was quoted that would have been there were revised without any indication of what version it was from, I didn't count it. The numbers were as follows:

New King James Version (NKJV): 34

King James Version (KJV): 1

New American Standard Bible (NASB): 16

New Revised Standard Version (NRSV): 143

New International Version (NIV): 11

English Standard Version (ESV): 44

Author's Translation (Greek, English): 2

Hebrew: 1

Two secondary texts were from the NKJV, one was from the NIV, one was from the ESV and one could have been from either the new Bible (more about that later).

The NKJV and ESV are Roman Catholic Bibles. Except for the KJV, the rest of the Bibles are essentially Roman Catholic Bibles though in the form of my knowledge, they never received the official approval of the Roman Catholic Church.

Page numbers referenced will be as in the standard Bibles of the SBSBG, unless otherwise noted.

Letter B. The Letter to the Hebrews and to Us

The "principal contributor" to this SBSBG was Felix Carter who is a professor at Andrews University. Page 1 of the teachers edition says that "the teachers edition comments were written by" Edward Gillies who is professor at Andrews University. Felix was more of a role of editor than just friend. Edward refers strongly in the SBSBG

to the "Teachers Comments" section on page 11 & passage quoted from the SBSBG throughout comments.

"And have tasted the goodness of the word of God and the power of the age to come." Hebrews 6:1 from the NRSV.

"And have tasted the good word of God, and the power of the world to come," Hebrews 6:1 from the KJV.

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner
