Life Can Begin Again Helmut Thielicke, 2016-11-24 Christians have always turned to the Sermon on the Mount for inspiration In *Life Can Begin Again* Helmut Thielicke himself one of the great preachers of the twentieth century comes to grips with what is often seen as a collection of lovely but impossible ideals Thielicke makes it clear that the Sermon on the Mount can never be understood if even for a moment we forget the person of the Preacher of the Sermon For without the person and work of Jesus Christ the marvellous words of the Beatitudes and the injunctions that follow them are the most radical and devastating distillation of God's claims that can be conceived they leave us in utter hopeless dismay Only through Christ can these words of the law become the glorious Gospel that promises a new life Once again as in his other best selling works *How the World Began* and *The Prayer that Spans the World* Thielicke brings profoundly biblical religion alive for modern readers **The United States of Europe on the Eve of the Parliament of Peace** William Thomas Stead, 1899
