Dear Team,

As you are aware, the appointment of auditors is a crucial process involving selection, eligibility, and compliance with auditing standards. We have a duty to ensure that our appointed auditors meet the demand for extensive, precise, unbiased, and thorough inspections consistent with our corporate objectives and business standards. As such, it is our responsibility to facilitate proper discussions, negotiations, and final agreements between involved parties.

There is a planned follow-up meeting which has been scheduled to further discuss, analyze, and make a final decision on this matter. The details of the meeting are as follows:
