Mother Millett Kate Millett, 2020-05-05 Kate Millett's tremulous and hauntingly beautiful memoir begins with a telephone call from Minnesota where her mother is dying. Her return home to a severe intelligent and controlling matriarch is the catalyst for a meditation on her upbringing in middle America and her subsequent outcast status as a political activist, artist, and lesbian. *Mother Millett* is an intensely personal journey through the author's interior life, a subject she has visited over the years in such classic texts as *Sita* and *The Loony Bin Trip*. In these pages are reflections on a life of political engagement beginning with the sexual politics of the feminist movement, proceeding to the struggle for gay liberation and culminating in her campaign for housing rights on the Lower East Side of New York where she and her neighbors currently face eviction. Throughout Millett confronts her fears of losing her mother, the anchor to a world she has long ago rejected but which continues to define her. Echoing Philip Roth's *Patrimony*, Millett writes with great poignancy about caring for the person who brought her into the world, a role reversal that brings with it both devastation and grace. **Town Talk**, 1858-05-08

Best Life, 2008-10 Best Life magazine empowers men to continually improve their physical, emotional, and financial well-being to better enjoy the most rewarding years of their life. *Administrative Management*, 1967 **Catalog of Copyright Entries** Library of Congress, Copyright Office, 1968 **Catalog of Copyright Entries, Third Series**, 1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim: the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc. Die Before You Wake D.A. Bale, 2017-09-18 What do you get when you combine a coma-inducing career, an ardent academic, and a nefarious nemesis? A Vicki Bohanan hangover cocktail. Your favorite bartender babe is back and cutting a trail through a new vocation with a college class tucked between briefs instead of sheets and an alarm clock in tow. It's no secret that a sleep-deprived Vicki is a volatile Vicki. Especially when a certain Texas Ranger goes MIA. And her first official case involves one pageanted Padgett accused of murder. Even as her recently resuscitated relationship with Zeke Taylor hits a skid mark visible from the International Space Station, it's up to Vicki to put aside old rivalries to rescue a former beauty queen from the guillotine and all before her secret pops out. Witness the cat-fur hit the fan as the claws come out in book four of the *Bartender Babe Chronicles*. Garfield's not the only one who hates mornings.

Shotgun Wedding Karen Wiesner, 2021-12-23 Trevor and Eden were married right out of high school. She'd believed she was pregnant, but that hadn't been her sole motivation. Wildly in love with Trevor Johnson, she'd worried he was becoming disenchanted with her; his attention consumed by the needy and seductive Delaney Foster, who came to Amethyst every year with her family. In the years Eden and Trevor have been married, she's never felt quite secure in the belief that he married her by choice in love. During the Christmas season, plagued by unspoken guilt and doubts, she finds herself again competing with a soon-to-be-divorced, distraught and disgustingly gorgeous Delaney. Eden is obsessively aware she's no longer as young, thin,

or sexy as she'd been before she had three sons To top off her growing stress Eden has discovered she and Trevor's oldest son and his girlfriend in their senior year of high school are sexually active The last thing they need is another shotgun wedding and the potential that a marriage undertaken for the sake of a baby isn't necessarily one of choice or love
