*Ten Golden Fields* Wen Henagan, 2014-09-15 Ten Golden Fields is a deliberate attempt to allow readers of fiction tales a more relaxing and fresh venue when they think they have some time to read We hear tales about reading books falling off various cliffs I think one reason is because people genuinely are in a nearly permanent hurry mode in their lives In this book anyone can read for thirty minutes and take in enough of a story to feel they have consumed something very entertaining and interesting for their soul psyche It's unlikely they will forget the characters and the next time they pick up the story to read it can be a natural continuum Also I want these characters to say and do things that make them almost leap out of the pages

and into the lives of my readers To that end I feel confident in saying that you will remember something about Ten Golden Fields in five years And that s a very good thing for both of us     *Journal of United Labor* Knights of Labor,1893     *The Saturday Evening Post* ,1962-10     **Germania** ,1964     **On Cassette** ,1990     Mixed Bag Helene D.
