**English Journal**, 1997 *Building the English Classroom* Bruce M. Penniman, 2009 Writing for English teachers who are overworked and overwhelmed Bruce Penniman offers personal reflections classroom anecdotes teaching materials and student work while presenting strategies for managing the demands of the secondary English classroom After nearly four decades in the classroom Bruce M Penniman knows what works and what doesn't when it comes to teaching English Penniman draws on his own experiences his successes of course but also the mistakes he's made and the misgivings he's had to offer guidance and support for managing the myriad demands of teaching secondary English From addressing the numerous subdisciplines within English to making individual accommodations from dealing with being the primary locus of literacy instruction in the school to everyday organizational strategies Penniman

helps teachers find a way to impose order on what often seems like an overwhelming array of responsibilities Focusing on all aspects of building a successful English classroom Penniman offers unique and proven strategies on topics such as planning for the long term designing writing programs and literature curricula creating effective assessment systems implementing instructional strategies for writing literature media technology and basic skills examining the curriculum through the lens of multiculturalism attending to the needs of all students especially those who require accommodations and giving back to the profession pursuing a professional life outside the classroom
