How to be a Brilliant Trainee Teacher Trevor Wright, 2007-08-07 This cheerful and accessible book is packed with direct and straightforward advice drawn from the author's extensive and successful personal experience as teacher trainer, teacher and examiner. It sets out clear and practical guidelines to support your training and enhance your teaching, moving you directly towards a real understanding of how and why pupils learn and of how you can enhance your own progress. It also offers reassurance and support with the difficulties which you might encounter through your training as a teacher. Why won't Year 8 actually do anything? Why do we have to read all this theory? I know my pace and timing need improvement but what do I actually do about it? Why haven't I moved forward at all in the last four weeks? It does this by outlining strategies for organization, exploring issues of personal development, demystifying areas often seen as difficult or complex, providing achievable and practical solutions directly addressing anxieties. Although a practical book at its heart, it also contains essential principles about good teaching and learning. It is anecdotal and readable and may be dipped into for innovative lesson ideas or read from cover to cover as a short enjoyable course which discovers exciting teaching principles in successful practical experience. The book is ideal for secondary trainee teachers but the underlying principles about what makes a brilliant trainee teacher are applicable to primary trainees too.

On Point Pam Borton, 2016-09-20 On Point gives you a seat on the bench with one of the nation's top women's basketball coaches. Distilling a 27-year coaching career into crucial lessons, On Point drives home the essence of effective leadership under pressure, stress, and times of chaos. On Point delivers the practical knowledge and skills leaders need to achieve success in life and business using stories from business, the courts, locker rooms, and press conferences. From leading a Big 10 basketball program to coaching high-performing teams in business, leader-focused chapters provide a holistic view of attributes crucial for On Point leadership. On Point leaders will learn to Master the Front Court, establish the fundamentals that set leaders on the path to winning, Build A Strong Bench, develop a team with the right attitude, skills, and strength, Dominate At Center Court, integrate the core values of On Point leadership, Leverage the Locker Room influence and motivate individual success, Defend Your Back Court, finish strong in your life and your work.
