Many people panic or hope that if they ignore it it will go away. But angina must be taken seriously and in addition to taking medical advice it's important to find out what you can do about it and what you can do to help yourself reduce the risk of a heart attack. This book answers key questions for anyone worried about angina. What is it and why is it happening. Does it mean I'm going to have a heart attack. What should I do when I have chest pain. How do I tell if it's serious. Living with Angina is also packed with useful advice about what you can do to deal with high cholesterol or high blood pressure, develop a sensible exercise program and make crucial lifestyle changes that will help you live life to the full. **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved
