## Assignment Instructions For Security:

A Basic Security Thought Duncan Ashwell,2024-04-26 This book sheds light on concerns and potential failings in the security industry with the goal of improving standards for security officers and companies Many security officers quickly forget the basics of their training as security companies forgo quality in favour of quick online certifications that lower industry standards The book prompts reflection on the core responsibilities of security officers and the training required to prepare them for the role It explores whether current standards in the industry are high enough challenging security officers to assess their own work ethic compared to others Ultimately the book aims to spark important conversations and drive positive change in an industry where high standards and proper training are essential Both security companies and officers have a shared duty to protect people and property which begins with re examining training protocols and performance expectations
