## **Ambivalent Europeans Ritual Memory And The Public Sphere In Malta:**

*Ambivalent Europeans* Jon P. Mitchell, 2001-10 *Ambivalent Europeans* examines the implications of living on the fringes of Europe In Malta public debate is dominated by the question of Europe both at a policy level whether or not to join the EU and at the level of national identity whether or not the Maltese are European Jon Mitchell identifies a profound ambivalence towards Europe and also more broadly to the key processes of modernisation He traces this tendency through a number of key areas of social life gender the family community politics religion and ritual *Malta in the European Union* Mark Harwood, 2016-05-13 Malta has bucked the trend of its EU Mediterranean neighbours in many ways This smallest of EU states barely dipped into recession during the global financial crisis and remains a stable member of the Eurozone whilst also having one of the lowest infringement rates and highest transposition of EU law records amongst the 28 member states Providing the first comprehensive study of Malta s complex road to EU membership this book looks at the impact of membership on the country s political structures and processes and explains the principal factors that have conditioned the country s Europeanization experience Reflecting Malta s unique and often contentious road to membership the book explores the historical context and outlines how Maltese processes and policies have changed since membership and whether a causative link exists between these changes and Malta s membership of the EU A wide range of primary and secondary sources facilitate the study complemented by a series of interviews with a broad range of Malta s political and social actors as well as individuals from EU institutions This depth of analysis enables a holistic view of Malta s first decade of EU membership and helps establish the fundamental characteristics of Malta s unique Europeanization experience **The Europeanisation of Party Politics in Malta** Jean Claude Cachia, 2023-02-21 This book examines the Europeanisation of party politics in Malta It evaluates the influence of Europeanisation on the political system which is based on two party system polarisation and clientelism Malta is the smallest European Union EU member state which joined the EU in 2004 The road toward membership was fraught with contentious and emotionally charged debates This book explores the relationship between Maltese political parties and the EU the politicisation and framing of the European Union by political parties and the impact of the European Union on Malta s political system The book further discusses more contentious recent events which made headlines at the EU level including the Panama Papers scandals the Individual Investment Programme and the assassination of journalist Daphne Caruana Galizia The book will appeal to students scholars and researchers of political science and international relations interested in a better understanding of electoral studies Europeanisation European integration as well as the Maltese political system and party politics *Powers of Good and Evil* Paul Clough, Jon P. Mitchell, 2001 Using a range of examples from Surinamese zombies to American horror films this volume demonstrates the extent to which evil imagery is linked to a fear of excess It examines in depth key themes in the anthropology of belief

European Peripheries in the Postcolonial Literary Imagination Janine Hauthal, Anna-Leena Toivanen, 2024-10-18 This book

explores the meanings of European peripheries in postcolonial literary imagination While colonial discourses have constructed Europe as the centre the continent is internally divided into centres and peripheries Approaching the question of European peripherality in a variety of geographical and linguistic contexts and across national and diasporic literary traditions of postcolonial writing the contributions in this volume attest to the entangled and relational character of the centre periphery nexus Acknowledging the unbalanced power structures between centres and peripheries the volume sets out to challenge conventional ideas about peripheries and places European peripheral loci at the centre of postcolonial literary inquiry The chapters in the volume draw on diverse theoretical and conceptual frameworks in order to address among others the link between peripherality and provincialism the relations between intra European and colonial peripheries and the progressive potential of European peripheries as postcolonial spaces The chapters in this book were originally published in the *Journal of Postcolonial Writing* *Colonial Memory and Postcolonial Europe* Andrea L. Smith, 2006 It intersects with very active areas of research in history and anthropology and links these domains of inquiry spanning Europe and North Africa in a creative and innovative fashion Douglas Holmes Binghamton University Maltese settlers in colonial Algeria had never lived in France but as French citizens were abruptly repatriated there after Algerian independence in 1962 In France today these  *pieds noirs* are often associated with Mediterranean qualities the persisting tensions surrounding the French Algerian War and far right anti immigrant politics Through their social clubs they have forged an identity in which Malta not Algeria is the unifying ancestral homeland Andrea L Smith uses history and ethnography to argue that scholars have failed to account for the effect of colonialism on Europe itself She explores nostalgia and collective memory the settlers liminal position in the colony as subalterns and colonists and selective forgetting in which Malta replaces Algeria the true homeland which is now inaccessible fraught with guilt and contradiction The study provides insight into race ethnicity and nationalism in Europe as well as cultural context for understanding political trends in contemporary France

*Governments' Responses to the Covid-19 Pandemic in Europe* Kennet Lynggaard, Mads Dagnis Jensen, Michael Kluth, 2022-12-01 This book examines similarities and differences in 31 European governments responses to the COVID 19 pandemic The COVID 19 pandemic hit Europe in early 2020 It spread across the continent during the Spring while anxious electorates were treated to news reports about health systems under duress and frustrated attempts by public procurement officials to obtain adequate supplies of medical and protective equipment Over the next 15 18 months considered by this book national responses exhibited both similarities and profound variations as the different endeavours to regulate social interactions constituted a stress test for political systems across Europe **Journal of Mediterranean Studies**, 2005

Events and Infrastructures Barbara Grabher, Ian R. Lamond, 2024-05-13 Innovative and the first of its kind this informative and multidisciplinary book explores the socio cultural significance inherent in event infrastructures While mainstream event management literature addresses event infrastructures mainly through its operational relevance this

carefully compiled edited volume takes infrastructures as an analytical point in respect to its social political economic and cultural potential of the study of events Borrowing from the ongoing social scientific debates on the geography sociology and anthropology of infrastructures critical questions are posed in relation to the event contexts With references to events in Argentina Malawi Spain and the UK among others the volume combines an international perspective with a highly relevant subject for contemporary event management education By bringing together theoretical as well as empirical readings on the question of event infrastructures from a critical point of view the debates are relevant to practitioners and researchers as well as undergraduate and postgraduate students in the field of events leisure tourism anthropology sociology geography and urban planning among others Media and Maltese Society Carmen Sammut, 2007 This seminal work is the first comprehensive analysis of the media landscape in the Mediterranean island of Malta It examines the media owned by political parties trade unions and the church and how they successfully compete for audiences with the public and private sectors Carmen Sammut explores institutional efforts to influence the information flow by means of field observations and in depth interviews in newsrooms These influences are further examined in an analysis of news content and discourse during the referendum campaign for European Union membership In a field where literature often overlooks small states Media and Maltese Society takes advantage of the small context to examine the communication circuit holistically observing traits that British and American journalism lost with the growth of media capitalism *Slovak Foreign Policy Affairs*, 2002

*Representations on the Margins of Europe* Tsypylma Darieva, Wolfgang Kaschuba, 2007 Since the first Baltic nations joined the European Union debates about reorganizing post Soviet republics have grown increasingly heated How do citizens in the Baltic and South Caucasian states cope with EU expansion and the feeling of existing simultaneously inside and outside Europe Based on ethnographies and archival work Representations on the Margins of Europe offers new insights into shifts in the national identity cultural geography and symbolic boundaries This exploration of local responses to Europe's new hegemony will appeal to anyone interested in anthropology history and politics *Evolving Industrial Relations in Malta* Godfrey Baldacchino, Saviour Rizzo, Edward L. Zammit, 2003 The book provides a series of critical articles about the state of industrial relations in Malta These include reflections about the Pheonicia Air Malta Kalaxlokk and Freeport strikes of the 1990s the state of social partnership presence of trade unions in the Maltese private sector the rise and fall of self management at Malta Drydocks what trade union members think about their unions and the impact of European Union experts in the evolution of local industrial relations The book also includes a full copy of the EIRA a number of appendices and an index This is the first book on such an important subject since Industrial Relations in Malta was written by Joseph Attard in 1984 **Modernism** Ahmet Ersoy, Maciej Górny, Vangelis Kechriotis, Balázs Trencsényi, Michal Kopeček, 2010-07-10 Nation's heart beats too slowly and its mind works too tediously We ought to open our windows to Europe to the wind of continental change and allow it to air our sultry home since as not all health comes from the inside not

all disease comes from the outside Book Jacket      **The Story of Malta** Brian W. Blouet, 2004      *Cult in Context* David A. Barrowclough, Caroline Malone, 2007 Gods deities symbolism deposition cosmology and intentionality are all features of the study of early ritual and cult Archaeology has great difficulties in providing satisfactory interpretation or recognition of these elusive but important parts of ancient society and methodologies are often poorly equipped to explore the evidence This collection of papers explores a wide range of prehistoric and early historic archaeological contexts from Britain Europe and beyond where monuments architectural structures megaliths art caves ritual activity and symbolic remains offer exciting glimpses into ancient belief systems and cult behaviour Different theoretical and practical approaches are demonstrated offering both new directions and considered conclusions to the many problems of studying the archaeology of cult and ritual Central to the volume is an exploration of early Malta and its intriguing Temple Culture set in a broad perspective by the discussion and theoretical approaches presented in different geographical and chronological contexts      The Anthropology of East Europe Review , 2006      **Kaleidoscopic Odessa** Tanya Richardson, 2008-08-02 The recent tumult of Ukraine s Orange Revolution and its aftermath has exposed some of the deep political social and cultural divisions that run through the former Soviet republic Examining Odessa the Black Sea port that was once the Russian Empire s southern window onto Europe Kaleidoscopic Odessa provides an ethnographic portrait of these overlapping divisions in a city where many residents consider themselves separate and distinct from Ukraine Exploring the tensions between local and national identities in a post Soviet setting from the point of view of everyday life Tanya Richardson argues that Odessans s sense of distinctiveness is both unique and typical of borderland countries such as Ukraine Kaleidoscopic Odessa provides a detailed account of how local conceptions of imperial cosmopolitanism shaped the city s identity in a newly formed state Richardson draws on her participation in history lessons markets and walking groups to produce an exemplary study of urban ethnography Ethnographically sophisticated and methodologically innovative Kaleidoscopic Odessa will interest anthropologists Slavists sociologists historians and scholars of urban studies      **Current contents Arts and Humanities** , 2002      The Journal of the Royal Anthropological Institute , 2004 Articles on all aspects of anthropology
