Starter's guide to mining your own litecoins (after bitcoins) John Stevenson,2013-12-29 So you re interested in mining cryptocurrency but you re not sure where to start No problem this guide is all you need to set up your own headless litecoin mining rig even if you have absolutely no experience with this sort of thing First let s get the obvious question out of the way why litecoins After all bitcoins are worth more right The simple answer is that at the time of this writing litecoins are currently the most profitable cryptocurrency to mine when you take into account how much each coin is worth and the time required to mine one Rest assured that if the situation changes and another cryptocurrency suddenly surpasses litecoin as the best mining option the rig outlined in the guide should have no problem switching over to a new coin **A New**

**Generation of Cosmic Superstring Simulations** José Ricardo C. C. C. Correia,2023-01-13 Topological defects are an expected consequence of phase transitions in the early Universe As such these objects if detected provide unequivocal evidence of physics beyond the Standard Model This means they are prime targets for new observational facilities However our understanding of defects is heavily bottlenecked by computational limitations In this book the author explores the use of accelerator hardware to alleviate this problem presenting the world s first multiple GPU defect simulations Such simulations can evolve a network of line like cosmic strings at an unprecedented resolution Then these are used to obtain the most accurate to date calibrations of semi analytical modelling and to show the impact of accuracy on observational consequences of strings Lastly a modified version of this application is used to study interconnected networks of strings in greater detail than ever before This book benefits any student or researcher who wishes to learn about field theory simulations in the early Universe and about supercomputing with multiple accelerators **Mike Meyers' CompTIA A+ Guide to 801 Managing**
