

Government Ch.1 Sec.1 Main Points Outline

Civics in Practice

- Government "by the people" does not mean government by the uninformed.
- Main reason for public education is to help young people become more effective citizens.

Why Study Civics?

- Civics is the study of citizenship and government.
- A citizen is a legally recognized member of a country.
- The concept of the citizen originated in Greece around 500 B.C., and was later adopted by the Romans.

Being a Citizen

- Citizens today have rights that differ from country to country.
- Some countries, such as Israel, require all citizens- men and women- to serve in the military.
- A government is the organizations, institutions, and individuals who exercise political authority over a group of people.

Being an American Citizen

- Being a U.S. citizen means more than just enjoying the rights that the American system provides.
- Citizenship includes being a productive and active member of society.
- You need training to become a good citizen.
