

7th Grade American History Exam Study Guide Answer Key

Chapter 5

- 1) Why did the British pass the acts in the flowchart?
They needed to raise money so they decided to tax the colonists.
- 2) Which act was passed first?
The Sugar Act 1764
- 3) What was the final result of the British trying to raise taxes?
The Boston Massacre, The Boston Tea Party, and The American Revolution Begins
- 4) What act was passed last?
The Townshend Act 1767
- 5) How many years elapsed from the Sugar Act to the American Revolution?
11 years
- 6) Why were the colonists so angry over these taxes?
*They think the taxes are unfair
They did not have representation in parliament but had to pay the taxes anyway*
- 7) The Louisiana territory belonged to which country in 1763?
Spain
- 8) What measures did the British take to end the troubles with Native Americans?
They drew the Proclamation Line of 1763 to prevent colonists from expanding westward on to Native American territory.
- 9) What decisions were made by the first continental congress?
*They drafted a statement of grievances against the acts that parliament passed claiming that they violated the colonists rights.
They voted to boycott all British goods and trade.
They started forming militias or groups of citizen soldiers*
- 10) What was the significance of the Boston Tea Party?
It was a dramatic act of defiance against Britain. King George realized that Britain was losing control of the colonies and passed the Coercive Acts. American Colonists called them the intolerable acts. They said that any colonist caught trying to rebel would have harsh punishments. It banned any town meetings in Massachusetts. It also closed Boston harbor until the colonist paid for all ruined tea. This prevented the arrival of food and supplies from reaching the colonists in Boston.
- 11) How did the second continental congress govern the colonies?
*It authorized printing of money and setup a post office with Ben Franklin in charge.
It established committee to communicate with Native Americans.
It created the continental army and chose George Washington as the leader.
Congress offered the Olive Branch petition to King George III. He refused to accept.*
- 12) Why did the stamp act cause more resistance among ordinary people in the colonies than did the Sugar Act?
It taxed the colonists directly without their consent and effected more people because all printed materials were being taxed. The sugar act only effected those who were smuggling
- 13) Which group of people had more reason to resist the Tea Act of 1773, colonial tea merchants or colonial tea drinkers? Why?
*Colonial Tea Merchants
This act gave Britain the right to ship tea to the colonists without paying most of the taxes usually placed on tea. This made Britain Tea, The East India Company, cheaper than colonial tea. The tea act gave the Company an unfair advantage over colonial merchants.*
