*Growing Old Gracefully* Robert M. Solomon, 2022-03-22 Growing old doesn't have to be just about frailties loneliness and loss of purpose Veteran pastor Robert Solomon offers a fresh perspective of aging and looks at how you can continue to grow with God in your autumn years Discover how you can keep your eyes firmly on Jesus as you nurture habits and disciplines that will enable you to build redemptive relationships and cope with the physical mental and emotional challenges of aging Useful insights into aging are presented in short chapters in an easy to read large print devotional format Fellowship of Prayer Sarah Griffith Lund, 2016-01-05 The seasonal cycles of winter spring summer and fall are echoed in the birth life death and resurrection of Jesus The season of Lent culminating in Holy week invites those who follow Jesus into a time of deeper reflection on our own seasons of life in the present age Where is God to be known encountered and embodied in these turbulent times How is God revealed in our dreams and visions Sarah Griffith Lund author of the acclaimed *Blessed Are the Crazy* Breaking the Silence about Mental Illness Family and Church takes you through the 40 days of Lent with these stories of the possibilities of our lives leading to the ultimate redemption and resurrection Be Holy Brian Christopher Coulter, 2014-12-30 What does it really mean to be holy These two little words seem to echo throughout scripture 1st Peter quotes Leviticus when we read God's command You shall be holy for I am holy Again in Ephesians when we read that God chose us in Christ before the foundation of the world to be holy And in the last chapter of the last book of the Bible we read that we are to still be holy Our calling to be holy is a challenging one but living the normal alternative often leads to frustration disappointment and empty overindulgence This invitation to be holy challenges us to live our lives set apart not because God needs us to but because it is a better way for us to experience and live life Brian Christopher Coulter shows us what it means to be holy in today's world and how living into this calling helps us discover and develop our sense of identity belonging and purpose Prepare to be changed and begin living the life God meant for you **Broken to Built: How GOD Restores Lives, Heals Hearts & Uses Broken People for HIS Glory** Gerard Assey, 2025-12-19 Brokenness is not the end of your story it's the place where God begins His greatest work In *Broken to Built* you will journey through the heart of a God who does not discard damaged lives but lovingly restores them into masterpieces Drawing from real life encounters biblical heroes and deeply personal experiences this book reveals how God meets us in our most shattered places and rebuilds us with purpose strength and compassion Whether you are struggling through your own wounds or walking alongside someone who is hurting these pages offer hope guidance and practical tools for healing You will discover why God allows brokenness how He rebuilds every fractured part of our lives and how restored people become powerful restorers of others With Scripture based insights emotional depth pastoral wisdom and transformative action steps *Broken to Built* is more than a book it is a journey of healing renewal and divine restoration You are not just repaired You are rebuilt You are a masterpiece in the making **Being an Intergenerational Church** Suzi Farrant, Darren Philip, 2023-08-31 There is a growing

realisation across mainstream churches that age segregated models of connecting with children young people and families are not working Drawing on their extensive experience Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be In conversation with the writings of Dietrich Bonhoeffer they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church Through an exploration of the Christian practices of humility hospitality participation discipleship joy worship discernment and testimony they call the church to re discover its DNA as an all age community of transformation

**Charisma and Christian Life** ,1997 Japanese Journal of Religious Studies ,1991 Israeli Identity David Tal,2013-07-18 For many years before and after the establishment of the state of Israel the belief that Israel is a western state remained unchallenged This belief was founded on the predominantly western composition of the pre statehood Jewish community known as the Yishuv The relatively homogenous membership of Israeli Jewish society as it then existed was soon altered with the arrival of hundreds of thousands of Jewish immigrants from Middle Eastern countries during the early years of statehood Seeking to retain the western character of the Jewish state the Israeli government initiated a massive acculturation project aimed at westernizing the newcomers More recently scholars and intellectuals began to question the validity and logic of that campaign With the emergence of new forms of identity or identities two central questions emerged to what extent can we accept the ways in which people define themselves And on a more fundamental level what weight should we give to the ways in which people define themselves This book suggests ways of tackling these questions and provides varying perspectives on identity put forward by scholars interested in the changing nature of Israeli identity Their observations and conclusions are not exclusive but inclusive suggesting that there cannot be one single Israeli identity but several Tackling the issue of identity this multidisciplinary approach is an important contribution to existing literature and will be invaluable for scholars and students interested in cultural studies Israel and the wider Middle East
