

## **Study Guide for 1984 Test**

SHORT ANSWER STUDY GUIDE QUESTIONS WITH ANSWERS  
Copyright 2006 Teacher's Pet Publications, Inc.

### **Section One: Chapters I, II, III**

1. Who is the main character? Briefly describe the main character.  
The main character is Winston Smith. He is about thirty-nine years old.

2. What is the setting of the novel? Give the country and the city.  
The novel is set in and around London, which is the main city of Airstrip One, a province of the country of Oceania.

3. What are the three slogans of the Party? Write them the way they are shown in the novel.  
**WAR IS PEACE**  
**FREEDOM IS SLAVERY**  
**IGNORANCE IS STRENGTH**

4. What does the caption on the posters say?  
**BIG BROTHER IS WATCHING YOU.**

5. Name each of the Ministries and explain its function. Also include the Newspeak name for each ministry.  
The Ministry of Truth, or Mintrue, is concerned with news, entertainment, education, and the fine arts. The Ministry of Peace, or Minipax, is concerned with war. The Ministry of Love, or Miniluv, maintains law and order. The Ministry of Plenty, or Miniplenty is responsible for economic affairs.

6. What date does the main character record?  
April 4th, 1984

7. Describe the two people the main character sees just before the Two-Minutes Hate. Tell what he thinks of each of these people.  
He sees a girl of about age 27 who works in the Fiction Department. She looks like the ideal young Party member. Winston feels uneasy and hostile whenever he sees her. The other character is a man named O'Brien. He is a member of the Inner Party and does some kind of very important work, although Winston does not know exactly what it is. Winston is attracted to O'Brien. He thinks O'Brien is someone he could talk to.

8. Explain the importance of Emmanuel Goldstein. Also describe the way his image looks.  
Emmanuel Goldstein is the Enemy of the People. He had been a leading member of the Party but then turned traitor. All crimes against the Party are attributed to his teaching. His image is shown on the telescreen and on posters to create hatred among Party members. He looks Jewish with fuzzy white hair and a goatee beard. His nose is long and thin. He wears glasses. He supposedly commands an army of conspirators called The Brotherhood.

9. Explain the importance of Big Brother. Also describe the way his image looks.  
Big Brother is the leader of the Party. He has black hair, a black mustache, and looks calm and powerful.

10. What crime does the main character commit? How does he do this? What is the punishment?

## 1984 Study Guide Questions

## 1984 Study Guide Questions:

**A Study Guide for George Orwell's 1984** Gale, Cengage Learning, 2015-03-13 A Study Guide for George Orwell's 1984 excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust Novels for Students for all of your research needs.

**Study Guide for Decoding 1984** Steven Smith, 2023-09-15

Decoding 1984 breaks down the narrative chapter by chapter, providing summaries that capture the essence of the plot while highlighting key details and developments. This structured overview ensures that readers can grasp the progression of the story and the escalating tension as Winston Smith, the novel's protagonist, navigates the dangers of dissent in a society under constant surveillance. A critical component of our guide is the detailed analysis of characters. From Winston's quiet rebellion to Julia's pragmatic resistance and the omnipresent threat of Big Brother, we delve into their motivations, inner conflicts, and roles in illustrating the novel's themes. Decoding 1984 does not shy away from exploring the novel's exploration of totalitarianism, the distortion of truth, the power of language, and the pervasive nature of surveillance. Each theme is carefully dissected to understand Orwell's critique of power and control. Moreover, the study guide examines Orwell's literary devices and the structural decisions that amplify the impact of 1984. From the use of irony to the stark foreboding tone of the narrative, we look at how Orwell crafts a fantastical and eerily plausible world. Finally, the guide includes a discussion of the climax and resolution, the moral of the novel, and a reference to memorable lines from the novel.

**George Orwell's 1984** Edward Morneau, 2016-02-13. 1984 George Orwell Focus Study Guide is one in a series of educational units designed to help students with an understanding and appreciation of great and still relevant literature. Teachers new to the profession and seasoned teachers will find practical tools for reading Orwell's text as well as related materials that amplify his ideas. This guide is different from others in its approach to 1984 as a work that needs to be read and understood on a number of levels. As a reading experience, it is the touchstone of most dystopian literature and uses the anti-utopian codes in maximally efficient ways. As a satire, its extremes are imaginative but critical in understanding the nearly unbelievable abuses of power of which people are capable and for which history has its political progenitors and practitioners. 1984 is also about the power of language as it is related to the way we think and express ourselves. And because language is at the root of dystopia's deception, the extremes of propaganda and their effects are revealed through Orwell's text and characters in ways that deserve closer scrutiny. This guide also moves the student from a familiar acquaintance with

Orwell's powerful story to a series of ways students can assess the value of 1984 in contemporary scholarly and critical ways. When Edward Snowden leaked the NSA memos regarding the abuse of privacy sales of 1984 spiked reminding us that while Orwell claimed his book was not a prophecy it is as he asserted a warning. As one of 1984's more powerful motifs the idea of revisionism informs the narrative throughout. From the redacting of war heroes from record performed by Winston in the Ministry of Truth to making obscure and eliminating language itself Orwell instructs us to look deeply into the well of human experience and language that invigorate self delusion and political deception. Included in this unit are high stakes testing questions geared to retention. While critics of high stakes testing decry rote learning as an inauthentic measurement of achievement I provide some common sense assessments that test a basic knowledge of 1984. It is expected through contemplative and research based writing students will more deeply explore the profound themes and consequences of Orwell's novel. The writing assessments and suggested assignments are modeled throughout. As most schools have district based rubrics I choose the modeling paradigm as it has more universal applications for composition and critical thinking. Writing is possibly the greatest proof of scholarship and any achievement in scholarship should lead to an exploration of knowledge beyond this text. Hopefully the resources included in this focus guide will encourage students to consider the greater context of literature. The idea of Orwell as a literary and political abstraction is permanent in our social and political culture as the term Orwellian has taken prominence in all manner of conversation for better or worse. We commonly use the term Orwellian in one of two ways. To describe a state of affair as Orwellian is to imply crushing tyranny and fear and conformism. To describe a piece of writing as Orwellian is to recognize that human resistance to these terrors in unquenchable. Hitchens 5. It is my hope that this guide help clarify these distinctions. Beyond the text Orwell's thoughts on language fascism realpolitik and his satirical theories regarding the structures of human behavior reveal a mind that is critically engaged. This unit is an attempt to pass on this engagement to the student.
