

# Letter to myself

Imagine you are writing a letter to yourself in 50 years' time about what is happening now in 2020.

Date: 29.07.20

Dear Akmal, I hope you and your family is well and that you are living in a better environment compared to the situation I am in. Unfortunately due to this pandemic, my school and all the schools in the UK had to close, resulting in lockdown; a 2m social distancing rule has been enforced, meaning that I can't see my family and friends and lives and jobs have been put at risk to thousands of people. I was upset when schools closed and lockdown happened, as I felt very isolated, however, I have been turning the negative aspect of lockdown into positive things, for spending quality family time staying with my baby brother, planting sunflowers which have now bloomed and lots more. I look forward to hearing your response and how you're sending things.

Love from, Akmal
