

Year to remember!

- Most people have ~~memories~~ but how many actually last a life time? Five? Three? Not even one? What about school memories? Twelfth grade? Third grade? Come along for a ride down memory lane and consider the following 3rd grade memories. During this year Ms. Smith's lucky class enjoyed the following, pool party, Market Place, and pumpkin math.
- The first spectacular memory occurred when Ms. Smith's 3rd grade class went to a pool party. During the pool party several students played capture the turtle box vs. girls. The students enjoyed playing with their best friends.
- Furthermore, the next fantastic 3rd grade memory happened during the Market Place field trip. This trip included the entire 3rd grade class of 2012. The field trip occurred in Grand Prairie, TX, and the students had fun learning how to write checks. Also, everyone purchased unique souvenirs such as boomerangs, dolphin keychains or multiple varieties, and toys using fake money obtained from cashing fake checks.
- The third long lasting 3rd grade memory occurred when 3rd grade students at Cottonwood Creek Elementary School learned how to do pumpkin math. Student greatly enjoyed this activity because they learned to do math in interesting ways.
- Finally the memory of a third grade school year like this will remain forever. These powerful memories provided the students with creative entertainment, long lasting friendships and provided opportunities for new learning. This year remains etched in the heart and soul.
