Advanced Level Audit and Assurance Exam Room Notes 2017 A. C. A. ACA Simplified, 2017-04-24

Previously known as Advanced Level Audit Risks Tests, the new revised 2017 edition of our very popular Audit exam room notes book is a NEW FEATURE FOR 2017. We have now added exam room notes on all Advanced Level Assurance areas such as internal audit, corporate governance, and examination of prospective information (ISAE 3400). This book therefore provides notes not only for statutory audit risks tests questions but also on specialist assurance areas. Provides an alphabetical quick reference list of approximately 70 key audit test and risk areas and 14 assurance topics based on our careful review of the ICAEW Study Manual for Corporate Reporting, the ICAEW Question Bank for Corporate Reporting, and the previous old TI paper in Business Reporting, together with past papers and ICAEW mocks for both the evolved Advanced Level and old TI level. Useful as a quick reference guide to generate reminders in the exam. Reduces the time that you will need to invest in revising Audit Assurance, which is a fundamental element of the Corporate Reporting paper, given the removal of Tax from this evolved ACA paper. Now 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on Audit Assurance, so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA. This book removes the need for you to prepare your own folder notes on Audit Assurance, leaving more time to invest in other aspects of the Advanced Level syllabus. In addition to reviewing past papers and mocks, we have carefully summarised the audit tests in the Audit Focus sections now included in the 2015 and later

editions of the Corporate Reporting Study Manual to ensure that you have a quick reference source of tests which have been emphasised in the new Advanced Level materials i.e. tests which the examiners appear keen for students to learn and mention but which are somewhat hidden away at the end of the financial reporting chapters of the Corporate Reporting Study Manual. All such tests are now indicated in bold in the relevant sections of our book. All 70 Audit areas and 14 Assurance topics are arranged in alphabetical order allowing quick reference without having to remember which chapter to consult. Risks tests are contained in the first part of the book and Assurance is split out separately into the second part of the book for ease of reference. Where relevant cross references between Audit areas are also included giving you reminders and hints. For a free sample see the Samples page at www.acasimplified.com.
