## The Reformation

The Reformation was a religious movement that began in the early 16th century. It was a response to the corruption and abuses of the Roman Catholic Church. The movement was led by Martin Luther, who was a German monk and theologian. He was one of the first to challenge the authority of the Pope and the Catholic Church. His ideas were spread by the printing press, which allowed his writings to be widely distributed. The Reformation led to the creation of new Protestant churches and the end of the Catholic Church's monopoly on Christianity in Europe.
