Stephanie Cooke, 2024-04-30 Grace Mendes aka Cinderhella is a fierce competitor in the PFF a pillow fight federation that's part roller derby part professional wrestling But in this fresh coming of age YA graphic novel Grace needs to learn to overcome her biggest enemy herself For fans of Check Please and Bloom When college freshman Grace Mendes reluctantly attends her first pillow fight match she falls in love with the surprisingly gritty sport Despite her usually shy introverted and reserved nature Grace decides to try out for the Pillow Fight Federation PFF a locally famous league of fighters with larger than life personas like Pain Eyre Miss Fortune and champion Kat Atomic They may battle with pillows but there is nothing soft about these fighters The first and only rule to pillow fighting is that the pillow needs to be the first point of contact after that everything else goes Grace struggles with deep seated body image issues so she is especially shocked when she makes the competitive league and is welcomed into the fold of close knit confident fighters As her first official fight performing as newly crafted alter ego ring persona Cinderhella looms on the horizon the real battle taking place is between Grace and her growing insecurities What if people laugh or make fun of her Why did she think she could pillow fight in the first place when she doesn't look like your typical athlete Turns out no one is laughing when Cinderhella dominates her first match in the ring And as her alter ego rises through the ranks of the PFF gaining traction and online fame and online trolls can Grace use the spotlight to become an icon for not just others but most importantly for herself Pillow Talk is an inclusive high octane outrageously fun graphic novel that aims a punch at the impossibly high standards set for women in sports and otherwise and champions the power of finding a team that will quite literally fight for you A knock out **Pillow Talk Honey**

Jordon, 2021-05-28 A Southern Small Town Romance Pillow Talk Emmaline Alexander is focused on her new winery she doesn't have time for men especially not the man that crushed her a decade ago But Graham's charm slowly wears her down and when old feelings come flooding back it's hard to resist the pull he's always had on her This boy had all her firsts kiss love even her first heart break He fooled her the first time she trusted him Can she rely on him this time around or will he prove her the ultimate fool They say opposites attract but Graham Freeman aims to prove he and Emma have more in common than she thinks Sure they've changed over the years but there's no denying the chemistry that still rages between them He'll need more than strategy charm wit and an alliance between their adorably wacky pets to claim the second chance he's always wanted All's fair in love and war and Graham is prepared for an up hill battle but with their history she won't be quick to wave the white flag Can he turn their playful banter and steamy pillow fights into a love that lasts a lifetime Or will a decades old feud devastate them both Pillow Talk is book 4 in the Willow Creek Series Contemporary Romance It reads as a stand alone but is best enjoyed as part of the series No cheating or cliffhanger HEA 18
