Eric Hoffer Tom Bethell, 2013-09-01 Drawn from Eric Hoffer's private papers as well as interviews with those who knew him this detailed biography paints a picture of a truly original American thinker and writer Author Tom Bethell interviewed Hoffer in the years just before his death and his meticulous accounts of those meetings offer new insights into the man known as the Longshoreman Philosopher Black Refugees in Canada George Hendrick, Willene Hendrick, 2010-03-16
Thousands of black people sought refuge in Canada before the U S Civil War While most refugees encountered at least some racism among Canadian citizens many of those same refugees also thrived under the auspices of the Canadian government which worked to protect blacks from the U S slaveowners who sought to re-enslave them This work brings to light the life stories of several nineteenth century black refugees who managed to survive in their new country by gaining work as barbers postal carriers washerwomen waiters cab owners ministers newspaper editors and physicians The book begins with a short historical account of blacks in Canada from 1629 until the early 1800s when the first groups of escaped slaves began to enter the country *The Annual American Catalogue* ,1890 *The Publishers Weekly* ,1890 *The American Bookseller* ,1877
