, 1895 *Slander* William Deverell, 2000-09 Slander is award winning author William Deverell's gripping new novel Set in Seattle and British Columbia it tells a hard hitting story of shattered lives of secrets long kept and finally revealed and of the often precarious road to justice Elizabeth Finnegan is a young lawyer bright and headstrong who finds herself locking horns not for the first or the last time with Hugh Vandergraaf a brilliant and charismatic Supreme Court judge Outraged by the lenient sentence Vandergraaf has just handed down to a convicted rapist Elizabeth ignites a very public war of words with him both inside and outside the courtroom When a few days later Elizabeth is visited in her office by a woman who makes a stunning claim against Vandergraaf she takes on what promises to be the trial of her career in spite of opposition from her firm's senior partners and the Attorney General's office As Elizabeth builds her case against Vandergraaf she pieces together a portrait of a brooding ambitious man with powerful allies who is seemingly addicted to sex and haunted by the demons of his past But the trial replete with complications and reluctant witnesses takes a bizarre turn and in a very personal way Elizabeth gets more than she bargained for Told from Elizabeth's point of view Slander is an engrossing novel in which the genders are at war and a feminist lawyer takes on the old boys network Dark timely and with a cast of vividly portrayed characters Slander once again confirms William Deverell's reputation as one of Canada's most popular authors **The New**

Englander, 1856 *Nabokov's Palace* Márta Pellérdi, 2010-08-11 Nabokov's distinguished and unique position in American literature has always been indisputable but paradoxical There has always been an element of foreignness in his writing Nabokov's Palace however aims to discover those sub texts and inter textual patterns embedded in Nabokov's American novels which undeniably contribute towards making these works an integral part of the Anglo American literary tradition Aware of this tradition in some of his late novels Nabokov also provides a literary historical overview of particular themes such as friendship melancholy madness and trance as they surfaced in literary texts throughout the history of English and American literature To Nabokov aesthetic bliss meant a sense of being somehow somewhere connected with other states of being where art curiosity tenderness kindness ecstasy is the norm Most of Nabokov's American novels express through

different elaborate literary structures themes motifs and metaphors these other states of being where the fantastic recurrence of literary situations and communion with dead poets and writers Poe Shakespeare Hawthorne and Melville among many others becomes possible The American reality that some readers miss in his writings with the exception of Lolita and the absence of which questions whether Nabokov truly belongs to the Anglo American tradition is clearly to be found in the wayside murmur of the allusive sub texts Nabokov's Palace is thus recommended for scholars students and devotees of Nabokov's fiction who wish to make further discoveries in the distinct otherworld of Art in Nabokov's American novels
