ABC Organization's mission is to assist in the protection and recovery of missing, abused, and neglected children.

Dear Friends,

One of the joys of preparing an annual report is that it gives us the opportunity to look back and be thankful for all that has been accomplished. The past fiscal year was filled with wonderful opportunities and many challenges. Some of the highlights were:

- Assisted in recovery of 250 children
- Strengthened our ID Child program to benefit both current missing children and prevent further child kidnappings through the sale of a child identification bracelet
- Created new after-school programs at local community center to help neglected and abused children
- Produced a public service announcement with the assistance of a local sports hero

The following is an overview of ABC Organization's income and expenses for the fiscal year ended June 30, XXXX.
