**Turkish Grammar with answers 1: An innovative way of teaching Turkish** Halit Demir, What is easy Turkish Grammar  
easy Turkish Grammar is a self study reference and practice book for learners who want to study Turkish for the first time  
but are not sure where to start It teaches all the grammar and vocabulary they need for speaking and writing in Turkish Not  
only does it explain the rules it also shows how the language works and gives plenty of practice It can also be used by lower  
intermediate learners who want to revise their knowledge of Turkish Which Turkish does easy Turkish Grammar teach It  
teaches modern standard Turkish the dialect you read in newspapers and hear on TV channels How is easy Turkish Grammar  
organised The grammar To help you have a feel for how Turkish works the book starts with a brief introduction about Turkish  
spelling pronunciation word order and parts of speech such as verbs nouns and adjectives After the introduction you will  
study 36 units presented in order of difficulty First three units which deal with spelling and pronunciation come with online  
audio Each unit covers one part of grammar explained by making references to English so that you can compare relevant  
areas of grammar Areas where you may have difficulty have been treated with particular care and attention Each topic is  
illustrated by plenty of real life examples written by using the equivalents of 2000 basic English words And each and every  
example in the book is translated into English In the book some unique conventions are used for spelling pronunciation and  
grammar in order to help with the learning process Each set of suffixes in Turkish which might be mind boggling for  
speakers of European languages such as English is highlighted with a different colour throughout the book so that you can  
easily spot the order and function of every suffix You can find the colour legend at the bottom of the pages Besides grammar  
easy Turkish Grammar teaches lots of everyday phrases and expressions so that it may also make a useful handbook for daily  
Turkish The exercises As practice makes perfect the utmost care has been devoted to writing the exercises At the end of the  
units you can find an extensive set of exercises The appendices The appendices include 11 supplementary lessons which you  
are referred to while you are studying the units The key The key includes the answers to all the exercises Online audio for the  
answers is also available The index The index is unique in that the entries include only titles in English so that you can  
compare relevant areas of grammar For example if you want to know how to say must or express obligation in Turkish all you  
need to do is refer to these titles Here you will find information not only about how to say must in Turkish but also how  
Turkish suffix for must is also used to mean should Or if you want to add ness to an adjective or ship to a noun you will be  
referred to the relevant page where you will find that Turkish only has the suffix lik for both The bibliography If you buy this  
book you can get the title Turkish Vocabulary Booster Word formation in Turkish by the same author for free To get your
