Beyond Regimes Duara Prasenjit, Elizabeth J. Perry, 2020-10-26 For many years China and India have been powerfully shaped by both transnational and subnational circulatory forces This edited volume explores these local and global influences as they play out in the contemporary era The analysis focuses on four intersecting topics labor relations legal reform and rights protest public goods provision and transnational migration and investment The eight substantive chapters and introduction share a common perspective in arguing that distinctions in regime type democracy versus dictatorship alone offer little insight into critical differences and similarities between these Asian giants in terms of either policies or performance A wide variety of subnational and transnational actors from municipal governments to international organizations and from local NGO activists to a far flung diaspora have been and will continue to be decisive The authors approach China and India through a strategy of convergent comparison in which they investigate temporal and spatial parallels at various critical junctures at various levels of the political system and both inside and outside the territorial confines of the nation state The intensified globalization of recent decades only heightens the need to view state initiatives against such a wider canvas

Economic Policy Making In China (1949-2016) Pieter Bottelier, 2018-04-09 This book explores the key ideas and the key people who were responsible for the development of China's economy from 1949 through 2016 It discusses how economic policy evolved how economic policy was formulated and how the role of economists in decision making evolved It considers the interplay between ideological and practical questions provides biographical details of key economists and includes a clear annotated chronology of events The book is especially valuable because the author as a senior World Bank official was a close observer of the situation and to some extent a key

participant *China's Asia* Lowell Dittmer,2018-02-23 This balanced and deeply informed book provides a comprehensive account of China's Asia policy since the Cold War Lowell Dittmer traces the PRC's policy toward its Asian neighbors in the context of the country's move from a developing nation to a great power capable of playing a role in world politics commensurate with its remarkable economic rise The author considers China's bilateral relations with Russia Central Asia South and Southeast Asia and Australia Each of these relationships is also viewed in terms of China's rivalry with the United States which has viewed China's rise with admiration tinged with a certain foreboding Thus Dittmer employs a triangular analysis to understand Beijing's attempt to expand in Asia while at the same time deterring Washington's interference Reframing the international relations of Asia in a thought provoking and informed manner this important book presents a panoramic view of the dynamics at work on all sides of China **China's Military Transformation** You Ji,2016-01-25 China's military transformation is one of the major geo strategic developments of the 21st Century Billions of dollars are being spent modernizing The People's Liberation Army PLA as China seeks to upgrade and expand its military capabilities to rival the US In this cutting edge analysis You Ji a leading expert on China's military affairs explores the changes taking place within the PLA today covering its ground aerospace and maritime forces its ability to meet asymmetric threats and the growing role played by the People's Armed Police in quelling dissent in China He shows how these transformations in personnel technology and strategic goals are slowly driving a wedge between China's two most powerful institutions Until recently relations between the CCP and PLA were harmonious but as the PLA becomes increasingly professionalized and autonomous so its unconditional loyalty to the ruling Party may weaken The changing relationship between the CCP and PLA he argues is likely to have profound implications for China's own political development and the balance of power in the Asia Pacific region Comprehensive and incisive this timely book is a valuable resource for anyone interested in the nature and consequences of China's military rise **A Century of Student Movements in China** Xiaobing Li,Qiang Fang,2019-12-02 In this book the authors offer their unique perspectives on the important roles Chinese students and intellectuals played in the shaping of the twentieth century China Their answers to these pivotal questions explore new nationalistic spirit modern world views and willingness of self sacrifice which had attributed to the spontaneous actions of the students as a New Culture emerged during the May Fourth Movement These articles show how China nurtured these spontaneous student movements even though the Nationalist Party in the Republic of China and the Communist Party in the People's Republic had exerted tight control over schools Both governments established organizations as well as operations among students that effectively turned some of the student movements into a political instrument by the parties for their own agenda *Official Airline Guide* ,1981-07

1mao November 2013 1f: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. 1mao November 2013 1f : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
