Who Are Immigrants?

People who leave their native country and move to another are called **immigrants**. Some people move for more **opportunities**, while others may move for family. Some people leave because their native country is not safe.

Religion and Traditions

Have you ever had a food you eat seen forward? Have you ever celebrated Christmas? When people move, they bring **traditions**. These are some traditions that have been brought to the United States: bagels, food, and holidays are other common examples. Respecting these traditions of others is important. It's what makes us diverse.

How Do People Immigrate?

Usually, someone must **sponsor** you to become an immigrant. Becoming a **permanent** citizen can take a long time and a lot of money. People also immigrate as **refugees** to escape war and violence. Life is not always easy for immigrants. They may need to learn new languages and customs. They need to find new jobs and learn new things. It's important to respect each other and know that everyone comes from a different background!
