Learning in 6th grade

You are going to learn so many new things in 6th grade. When I came to 6th grade I was excited to learn new things. We learn awesome things in Social Studies about different civilizations and many more. We had city-state camp and had such a fun time with that! There are not so many tests, but always be prepared. This year was a blast all together.

The best times

The best times and memories of 6th grade were going to 6th grade camp, the floating science lab, meeting Mr. Ho and many more. So many fun activities occurred this year. Every thing we did this year was so much fun and I will definitely miss Mrs. Brennan a lot! You will make new friends, become closer to old ones, and have a stronger relationship with everyone.
