Slum Beautiful Kenny Attaway, 2007-10-25 Slum beautiful is a remarkable straight forward poetic and eye stretching memoir of KyDeja Morgan's Slum Beautiful struggling life In her first 28 years of life she was molested practiced blasphemous acts robbed sold drugs used drugs prostituted and arrested and almost prosecuted for the murders of both her mother and brother Like her other siblings Slum was raised in a dysfunctional family that practiced open sex used drugs gambled and treated their home as a hangout for other addicts Through her avowed journey in life it would take Slum 28 years and 11 months along with becoming homeless to find the beauty in her slum mind body soul and surroundings she was able to connect dig out and remove some of the most scattered and unraveling moments of her life thanks to the acts of soliloquy prison and an unlikely fallen angel along the way However before Slum could share her newly found beauty she has to beat a slew of charges including breaking and entering robbery murder and come fourth with secrets that inadvertently prolonged her vicious life cycle Slum Beautiful in retrospect not only visits the most dangerous place on earth in our heart's memory but gives a mind boggling touch of retrograde amnesia exploring the inducement of dysfunction in Slum's family that includes molestation sibling rivalry systematic dependency drug dependency self hate cultural hate racism and women and child abuse Slum Beautiful explores how cycles of injustice begin and how they can continue to plague without culminating Penned with a poetic pen conscience mind and honest heart Slum beautiful is the Pangaea of life before the evolution of such disheartening events and then some It is an internal reflection of yours and mine Find your beauty before the wrong hands do Without further do Kenny Attaway presents Slum Beautiful the soliloquy of the kandy lady *Dr. Susan I. Moody's Travels to Iran, 1909-1934* Hoda Mahmoudi, 2024-04-02 This volume examines the life of the remarkable woman Susan Moody and her travels to Iran in the early 20th century during seismic changes in the world Dr Susan I Moody's Travels to Iran 1909 1934 Courageous Odyssey captures a fleeting moment of arresting change and shimmering possibility Exploring the fading values of the 19th century and the emergent understandings of the 20th century the author shows how one individual navigated such challenging times This book explores the Industrial Revolution the rise of the women's movement

advances in medicine and healthcare and the start of a new religion The Baha i Faith of which Moody became a devoted member Susan Moody was a pathbreaking artist and educator who became a physician later in life She made the bold decision to leave the United States and travel to Iran in 1909 to serve women who effectively had no access to medical care In examining Dr Susan Moody s story this volume seeks to reflect on our own changing moment and the ever present possibilities of improvement and advancement By tracing her own courageous odyssey we are invited to more deeply understand our own This book will be of value to students and scholars alike interested in Women s and Gender history and Social and Cultural history

Poems for the Bicentennial Gerald L. Hall,Jeremy W. Kilar,1976 From the Dust Jacket The poems in this volume speak for citizens who have witnessed the success or failure of the American Dream Sometimes humorous sometimes hopeful sometimes disturbing but always provocative this collection offers fresh insight and a new understanding of the ideals that shaped our Revolutionary heritage Gathered in the Bicentennial Year of 1976 this collection reflects the images of our state s and nation s history as seen by people from many walks of life Laborers housewives students retirees secretaries and professionals speak of personal experiences historical events and themes unique to the history of our country It represents a genuine expression of the bicentennial spirit by the citizens of Michigan whose avocation or profession is writing Within these pages the reader may walk the worn pathways of a centennial farm watch the sun rise from a narrow valley or choke on foul city air He will recall his own childhood enjoy youth once again or lament lost loved ones At the same time the reader will experience broken national promises and fulfilled national dreams he will look questioningly towards the future There is an echo of history a history that provides a unique legacy and gives fervor and meaning to those institutions people and places that helped create this nation
