7 Habits Group Manual

EW Minium

7 Habits Group Manual:

Introduction to Rights-based Direct Practice with Children Murli Desai,2018-01-19 The Sourcebook introduces the theoretical and ideological foundation and methodological basis of Rights based Direct Practice with Children It starts with the methodology of participatory group workshops to facilitate learning of the content The content draws linkages among the foundation of life skills psychosocial sociological and critical theories of childhood and child rights values categories and principles with the approaches methods and skills of direct practice with children The book takes examples from India but makes significant contribution to training and reference material for child rights teachers trainers facilitators and field workers across the world especially in the developing countries

The Handbook of Maintenance Management Joel

Levitt,2009 Now thoroughly updated to include advances in technology and thinking this comprehensive and easy to understand resource provides a short review of all the major discussions going on in the management of the maintenance function

The Ultimate Training Workshop Handbook: A Comprehensive Guide to Leading Successful Workshops and Training Programs Bruce Klatt,1999-01-22 Bruce Klatt s The Ultimate Training Workshop Handbook was written for those who want to excel as trainers and to offer maximum value both to client employers and workshop participants Focusing on success in front of the group and based on Klatt s 25 years of experience this comprehensive guide takes you from the contracting stage through evaluating results It shows you how to prepare yourself and your clients and how to construct the workshop

The New Manual and Guide for Teachers Jacob Maurer Berkey,1899

Child Rights Education for Participation and Development Murli Desai,Sheetal Goel,2018-08-27 The aims of child rights education are to make children and their primary duty bearers aware of child rights so that they both can be empowered to together advocate for and apply them at their family school and community levels This sourcebook focuses on child rights education for primary prevention with reference to participation and development The introductory chapter covers child rights values of peace dignity tolerance freedom equality and justice and child rights principles of dignity of the child primary consideration to the best interests of the child universality and non discrimination and state and societal accountability Child rights to participation focuses on child rights for playing a decisive and responsible role in their own life and a participatory role in the family schools associations community and with the state as citizens Child rights to development includes child rights to free compulsory comprehensive and quality education free of discrimination and violence child rights to play recreational cultural and artistic activities and media literacy child rights to health with reference to physical health and hygiene healthy and hygienic food and nutrition sexual health and prevention of substance abuse and child rights to environmental education with reference to child rights to environmental harmony and hygiene and child rights to sustainable environment This is a must read for researchers trainers and other professionals working on child rights issues across the world and especially in developing countries

Instructor's Manual to Interpersonal Communications Beebe,1998-12

The Co/motion

Guide to Youth-led Social Change Leigh Dingerson,1998

The GP Trainer's Handbook Paul Middleton,Maurice

Price,2021-08-13 The ten years since the First Edition of this book have witnessed revolutionary changes in GP training appraisal the new MRCGP exam and competence based assessments to name but three Greater availability of information has also transformed the social context of General Practice as a profession Despite this the one to one relationship between trainer and trainee remains the lynchpin of GP education and this manual's key principle that GP trainers are the key source of expertise in this field and that their experiences and ideas are a vital and still underused resource is as important as ever This new edition fully revised and updated to reflect the latest changes in both GP training and the profession remains an essential comprehensive manual of useful advice for GP trainers written by their peers Outlining educational methods training philosophies and reflections from practitioners experienced in the entire spectrum of GP education it provides a toolbox of resources to cover the practicalities of training including e portfolios teaching consultation skills and numerous tips and tricks It is now augmented with an array of supporting online material that includes checklists forms and evaluation tools This book is vital reading for GP tutors and GP trainers as well as those considering such roles and for all those who manage and oversee the training of GP registrars

A Rights-Based Preventative Approach for Psychosocial

Well-being in Childhood Murli Desai,2010-09-02 Children are one of the most important phase of human development and the most important target group for social work intervention Most of the schools of human development and social work round the world have an elective course on children and some offer a concentration in this area There are plenty of textbooks on intervention with children published by Western authors focusing on useful theories and skills but mainly at the remedial level They neither use the preventative approach nor the child rights perspective which has been found useful in the developing nations The books on child rights are generally published by the United Nations Children's Fund UNICEF and other international organisations working in the field of children such as Save the Children These books focus on the useful child rights perspective but they neither integrate theories nor use the preventative approach The proposed book A Rights based Preventative Approach for Children's Psychosocial Well Being will be the first to apply the child rights perspective and the preventative approach to intervention for children's psychosocial well being It is an integration of theories with practice and teaching relevant in different parts of the world The book is divided into the following three parts Part 1 Introduction to a Rights based Preventative Approach for Children's Psychosocial Well Being Part 2 Primary Prevention for Children's Psychosocial Well Being Part 3 Secondary and Tertiary Prevention for Children's Psychosocial Well Being
