A Fecircte To Remember Fogas Chronicles:

A Fête to Remember Julia Stagg, 2014-04-10 It's summertime in the French Pyrenees and the mountain commune of Fogas is en fête. But Christian Dupuy has no time for the frivolity of les vacances. For a start he's just been struck by the arrows of l'amour and doesn't have a clue how to approach the woman who's stolen his heart. Then there is the not so small matter of local politics. With moves afoot to wipe his community from the map Christian has to enter the fray once more to save the place that he cherishes. In the midst of a sweltering heatwave and with the residents of Fogas at each other's throats over their future the lovesick and embattled deputy mayor must decide if all really is fair in love and war.

The French Postmistress Julia Stagg, 2013-04-25 When her post office burns down postmistress Veronique starts lobbying for its replacement. But her fellow residents of the small commune of Fogas in the French Pyrenees are too preoccupied to rally to her cause. Mayor Serge Papon overwhelmed by grief at the death of his wife has lost his joie de vivre and all taste for village politics and croissants and it seems as though deputy mayor Christian whose tendresse for Veronique makes him her usual champion will soon be saying au revoir to the mountain community. And to Sarko the bull. Add to this a controversial government initiative to reintroduce bears to the area and soon the inhabitants are at loggerheads threatening the progress of the sacred Tour de France and the very existence of Fogas itself. In yet another tale with more ups and downs than a Pyrenean horizon things are about to get grizzly.
