British Museum Catalogue of printed Books, 1896 **A Legend of Montrose (Annotated)** Walter Scott, Sir, 2016-06-06 A Legend of Montrose is an historical novel by Sir Walter Scott set in Scotland in the 1640s during the Civil War It forms along with The Bride of Lammermoor the 3rd series of Scott's Tales of My Landlord The two novels were published together in 1819 **British Museum** British Museum (London), 1883 *Legend of the Wars of Montrose* Walter Scott, 2019-08-07 Against the background of Montrose's campaign of 1644-5 this spirited novel centres on one of Scott's most memorable creations Sir Dugald Dalgetty of Drumthwacket This hard headed Aberdonian contrasts tellingly with the weird and passionate Highland feud in which he becomes perilously entangled as the narrative moves from Dalgetty's unflinching encounter with the Duke of Argyll to his dramatic escape from Inveraray Castle to the battle of Inverlochy e The Edinburgh Edition respects Scott the artist by restoring versions of the novels that are not quite what his first readers saw Indeed it returns to manuscripts that the printers never handled as Scott's fiction before 1827 was transcribed before it reached the printshop Each volume of the Edinburgh edition presents an uncluttered text of one work followed by an Essay on the Text by the editor of the work a list of the emendations that have been made to the first edition explanatory notes and a glossary The editorial essays are histories of the respective texts Some of them are almost 100 pages long when they are put together they constitute a fascinating and lucid account of Scott's methods of composition and his financial manoeuvres This edition is for anyone who takes Scott seriously e Times Literary Supplement **Catalogue of Printed Books** British Museum.

The Drummond ernoch of James the Sixth s time was a king s forester in the forest of Glenartney and chanced to be employed there in search of venison about the year 1588 or early in 1589 This forest was adjacent to the chief haunts of the MacGregors or a particular race of them known by the title of MacEagh or Children of the Mist They considered the forester s hunting in their vicinity as an aggression or perhaps they had him at feud for the apprehension or slaughter of some of their own name or for some similar reason This tribe of MacGregors were outlawed and persecuted as the reader may see in the Introduction to ROB ROY and every man s hand being against them their hand was of course directed against every man In short they surprised and slew Drummond ernoch cut off his head and carried it with them wrapt in the corner of one of their plaids *British Books* ,1898
