A Mans Guide To Her Body:

A Man's Guide to Healthy Aging Edward H. Thompson, Edward H. Thompson Jr., Lenard W. Kaye, 2025-10-07 This book offers practical strategies for men to maintain physical mental and social well being throughout aging. It covers self care relationships career transitions cognitive health and financial planning. Provided by publisher *What a Man's Got to Do* Lynnette Kent, 2011-07-15 He knows what he has to do. Rancher Dex Hightower wants custody of his six year old daughter. He's tired of arguing with his ex wife about visitation rights. But she'll never agree even though she's more interested in her career than in being a mother. Somehow Dex has to convince a judge that he's the better parent. So he needs to hire the best lawyer in town. And that means Claire Cavanaugh. But Claire grew up on a ranch and she remembers the isolation no friends to play with after school no ballet lessons no trips to the mall or the movies. Not an ideal situation for a little girl. Of course Dex is not like any cowboy she's known. Maybe life on a ranch with him wouldn't be too bad even for a grown woman.
