A Masterly Murder Susanna Gregory, 2010-12-02 The sixth chronicle in the Matthew Bartholomew series Michaelhouse is in uproar Kenyngham the saintly but ageing Master has announced his retirement and with unseemly haste Runham arranges his own election as his successor Within days he has dismissed several members of staff including the redoubtable laundress Agatha and is making life so unpleasant for the scholars that even Matthew Bartholomew believes his future as physician and teacher at the college is untenable But Matthew has many patients to divert his attention and Brother Michael Proctor of the fledgling university has some suspicious deaths to investigate although they cannot help but notice that the new Master has commissioned a flurry of building work Then Runham himself is murdered and although mourned by none Matthew and Michael know they have to solve the mystery before any more damage is done to their beloved Michaelhouse A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice **Murder in All Ages** Matthew Worth Pinkerton, 1898 **Fraser's Magazine**, 1871 *The Sanctuary Murders* Susanna Gregory, 2019-08-01 The twenty fourth chronicle of Matthew Bartholomew In 1360 Edward III issues a call to arms as sporadic attacks by the French threaten to turn into a full blown invasion In Cambridge fear of the enemy is magnified by the belief that foreign agents are lurking in the area Tension runs ever higher as rumours and ignorance fan the flames of suspicion amid preparations for war And then the first murder occurs of a French scholar living in the town At Michaelhouse Brother Michael is now Master but his reach of power in the University is under threat by the election of a new Chancellor and his cohort of dubious advisors Soon the Colleges begin to squabble amongst themselves as well as with the town that never wanted a University in the first place Amidst this atmosphere of swelling distrust physician Matthew Bartholomew is called upon to investigate mysterious deaths in a nearby hospital He quickly realises that there is something odd about the inmates and their keepers something dark and deadly which seems to be connected to the growing number of murders in the town Pressure mounts as the University and the town clamour for answers leading Bartholomew and Michael in a frantic quest for a solution before the powder keg of animosity in Cambridge is ignited A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary

McCabe,1877 *The Lancet* ,1886 **Memoir of Samuel Sumner Wilde** John Gardner White,1882 *Death in St James's Park* Susanna Gregory,2013-01-17 Superspy of Restoration London Thomas Chaloner foils an uprising in his eighth outing Five years after Charles II s triumphant return to London there is growing mistrust of his extravagant court and of corruption among his officials and when a cart laden with gunpowder explodes outside the General Letter Office it is immediately clear that such an act is more than an expression of outrage at the inefficiency of the postal service As intelligencer to the Lord Chamberlain Thomas Chaloner cannot understand why a man of known incompetence is put in charge of investigating the attack while he is diverted to make enquiries about the poisoning of birds in the King s aviary in St James s Park Then human rather than avian victims are poisoned and Chaloner knows he has to ignore his master s instructions and use his own considerable wits to defeat an enemy whose deadly tentacles reach into the very heart of the government an enemy who has the power and expertise to destroy anyone who stands in the way **Parkwater, and Other Stories** Mrs. Henry Wood,1885
