A Pound Of Flesh

Michael Pertwee

A Pound Of Flesh:

A Pound of Flesh, Etc. (A Play in One Act.). Michael Pertwee,1955 *Legal Plunder* Joshua Page,Joe Soss,2025-08-12 A searing historically rich account of how US policing and punishment have been retrofitted over the last four decades to extract public and private revenues from America s poorest and most vulnerable communities Alongside the rise of mass incarceration a second profound and equally disturbing development has transpired Since the 1980s US policing and punishment have been remade into tools for stripping resources from the nation s most oppressed communities and turning them into public and private revenues Legal Plunder analyzes this development s origins operations consequences and the political struggles that it has created Drawing on historical and contemporary evidence including original ethnographic research Joshua Page and Joe Soss examine the predatory dimensions of criminal legal governance to show how practices that criminalize police and punish have been retrofitted to siphon resources from subordinated groups subsidize governments and generate corporate profits As tax burdens have declined for the affluent this financial extraction now a core function of the country s sprawling criminal legal apparatus further compounds race class and gender inequalities and injustices Legal Plunder shows that we can no longer afford to overlook legal plunder or the efforts to dismantle it
