**Darcy's Dire Dilemma** John Hazard Forbes, 2018-06-21 They never dreamt the danger of Jane Austen Initially the residents of Longbourn Netherfield and Pemberly had no reason to be wary Miss Austen seemed merely a mild spinster who attended parties and asked benign questions about this cousin or that aunt No one suspected her devious purpose the creation of novels based upon persons of her acquaintance It was much too late for poor George Wickham when *Pride and Prejudice* became all the rage Of course he was nothing like his odious fictional counterpart which is what he hopes to clarify in this retelling of the events as they truly occurred Miss Austen obviously warped reality resulting in three hundred odd pages of absolute rot Whereas Wickham has never aspired to sainthood he contends that the authoress greatly exaggerated his shortcomings He now attempts to reconstruct the true love story so poorly delineated in that dreadful *Pride and Prejudice* Four decades may have passed but Wickham remembers all and now pays tribute to those so smeared by that awful Miss Austen

that have been created from the original classic and of all the authors who have ever attempted to capture the essence of Darcy and Elizabeth Cassandra Grafton is the only one I would recommend WITHOUT RESERVATION and this is from years of having read just about anything and everything that has been written inspired by the original Amazon US Review **A Fair Prospect** Cassandra Grafton, 2013-06-06 Please note this book was previously published with a different cover The content remains the same as the original book The stunning conclusion to Grafton's trilogy delivers on all of the promises from the first two volumes and was well worth the wait I have loved reading this series and can't recommend it enough to anyone who ever wonders what if Inspired by Austen blog Inspired by Pride Prejudice A Fair Prospect is an introspective character driven re-imagining of Jane Austen's classic Desperate Measures is the concluding part to the trilogy Reeling from the news of Elizabeth's engagement to Harington and desperate to avoid any possible further encounter as much for the lady's sake as his own Darcy seeks distraction removing to the West Country with his sister and cousin where they prepare to embark on a journey to Dublin Elizabeth meanwhile is struggling with an inexplicable lowness of spirit following the gentleman's removal from Town Fate however has unfinished business with them both and before long the lady is travelling to the West Country herself As Darcy strives to leave the past behind will Elizabeth realise where her heart truly lies and if so can she find a way of letting Darcy know her feelings have changed or is it too late for them both What are readers saying For those of you who enjoy the Austen variations of Pride and Prejudice Cassandra Grafton represents one of the most substantial authors I have read and the 3 volume A Fair Prospect collection she has created is a remarkably well written and crafted novel series that I would encourage you to delight in As the work extends across the 3 books this allows Ms Grafton the opportunity to develop the plot and characters with depth and breadth and in a voice that is very much Jane Austen I thoroughly enjoyed the precious and pleasurable reading experience she provided and hope that her vivid imagination is inspired to provide more Amazon CA Review This trilogy was one of the best stories of Lizzy and Darcy I fell completely in love with the story it's perfect The story line is very good the characters remain faithful to themselves the dialogues are great the scenes created are believable and adoring Darcy and Elizabeth gradually fall in love and we fall in love with this story It's passionate intriguing well written magic romantic well I could go on but I think you got the point One of the best P&P variations I've ever read From Pemberley to Milton blog Volume III lives up to its predecessors and is every bit as good as Volume I and II The story built to a very rewarding finish The author stays consistent in her writing of beautiful Regency language She never falters Her original characters stay true to their nature throughout the trilogy and her new characters are charming and well written All three books are exceptional and I highly recommend them More Agreeably Engaged blog
