A Firefighter's Flame A Novel:

A Firefighter's Flame Dani Hart, 2014-03-07 If you dig into the deepest parts of your soul what would you find Happiness pain love regret peace sorrow Now imagine experiencing all those feelings at once and then nothing at all These were the average days in the life of Lennox Ashford Lennox walked a fine line between truth and deception love and lust and most of all pain and happiness A line had been drawn between highs and lows testing her stability on a daily basis She lived in between the grays of right and wrong not knowing which way to sway Strength was supposed to come from within but being broken exposed her weaknesses instead She grew up believing in love and believing in Dean He protected her when she was weak picked her up when she fell and fought for her when she couldn't They lived for each other and eventually for their children High school college marriage children and many rocky days had taken a toll on their marriage deepening Lennox's depression and screaming for a way out She needed something She needed a change Fate intervened and the change she got was not what she expected nor wanted A tragic moment will test her already wavering strength and leave a permanent scar on her conscience Follow her journey of rediscovering love and searching for her own fairy tale ending

Wilderness Medicine E-Book Paul S. Auerbach, 2011-10-31 Quickly and decisively manage any medical emergency you encounter in the great outdoors with Wilderness Medicine World renowned authority and author Dr Paul Auerbach and a team of experts offer proven practical visual guidance for effectively diagnosing and treating the full range of emergencies and health problems encountered in situations where time and resources are scarce Every day more and more people are venturing into the wilderness and extreme environments or are victims of horrific natural disasters and many are unprepared for the dangers and aftermath that come with these episodes Whether these victims are stranded on mountaintops lost in the desert injured on a remote bike path or ill far out at sea this indispensable resource now with online access at www.expertconsult.com for greater accessibility and portability equips rescuers and health care professionals to effectively address and prevent injury and illness in the wilderness This textbook is widely referred to as The Bible of Wilderness Medicine Be able to practice emergency medicine outside of the traditional hospital clinical setting whether you are in remote environments underdeveloped but highly populated areas or disaster areas are part of search and rescue operations or dealing with casualties from episodes of extreme sports and active lifestyle activities Face any medical challenge in the wilderness with expert guidance Dr Auerbach is a noted author and the world's leading authority on wilderness medicine He is a founder and Past President of the Wilderness Medical Society consultant to the Divers Alert Network and many other agencies and organizations and a member of the National Medical Committee for the National Ski Patrol System Handle everything from frostbite to infection by marine microbes not to mention other diverse injuries bites stings poisonous plant exposures animal attacks and natural disasters Grasp the essential aspects of search and rescue Respond quickly and effectively by improvising with available materials Improve your competency and readiness with the latest guidance on
