A Girl's Best Friend Kristin Billerbeck, 2008-03-11 Three friends One spa And an infinite amount of oversharing From the outside Morgan Malliard has it all diamonds at her disposal a willowy figure a doting daddy and all the elegance that money can buy But money can't buy happiness or an identity to call her own and Morgan is realizing her perfect life has no purpose other than spectacular grooming which isn't really a purpose at all unless you're a chimpanzee Then a falling out with her father drop kicks Morgan into the real world and she is suddenly forced to get an actual job wear affordable shoes and cope with public transportation not to mention deal with that mysterious hottie who may or may not be stalking her It's time for a spa getaway with her best gals Lilly and Poppy because there's just something about lying under a pile of sweet smelling papaya plaster that can help a girl figure things out Like the fact that life isn't about living up to a perfect ideal and that with God's grace the beauty of it may just be in the flaws after all
