A Kept Woman:

A Kept Woman Louise Bagshawe,2008-10-02 Diana s combination of beauty and class has bagged her marriage to publishing mogul Ernie Foxton and with that comes a stunning New York apartment a designer wardrobe and a manicurist hairdresser and masseuse on tap With little more to do with her days than shopping and socialising this is the life for which she was born But then without warning the bottom drops out of Diana s meticulously constructed world and she finds herself without a home or a husband and with barely a dime to her name For the first time in her life she might just have to look after herself But given how many people would love to see her fail it s not going to be a walk in the park

A Kept Woman

Sherry D. Bailey,2011-01-13 Serving God her husband and her church for 13 years Sherry retells the valleys and victories she navigated through to escape the tumultuous life of a Pastor s wife She uncovers the dark secrets men of the cloth attempt to hide so that they can escape accountability and possible imprisonment *A Kept Woman Chronicles of a Pastor s Wife* is gripping and raw It reveals how a godly woman fights back with the Word of God to take control of an oppressive situation and win Sherry s challenging words of wisdom will motivate readers to action

Psalms Of A Kept Woman

Marquita Garmon,2020-06-03 *Psalms of a Kept Woman* is a memoir that provides insight into the answer of the question What does it mean to be a woman kept by God In this raw and unfiltered view into the often messy journey of growth from girl to woman and ultimately woman of God the author is vivid and vulnerable in her illustrative offering of some of the most difficult times of her life Yet in the end she is able to effectively express and validate that God s hand and purpose always prevails in the life of those who are willing to be kept by Him The author takes it a step further by combining her personal memoir with a womanhood workbook Just as the sand is necessary to agitate the clam in order to bring forth the pearl she uses her testimony in order to present those hard wrought nuggets of wisdom as gift and treasure to her reader Through the womanhood workbook she takes you by the hand and walks with you through your own process into godly womanhood Proving as the motto of her non profit Kept Women states It is possible we do exist and we multiply

BLURB Desperately unemployed Arianne answers an ad that reads Woman Wanted With minuscule hours and excellent pay she accepts the position of courtesan to Derek a handsomely dashing man whom she finds out is a billionaire Engaging in a game of cat and mouse will they drive each other crazy or will they fall in love first EXCERPT Picking up the remote with one hand and the coffee mug with the other she alternated between surfing channels and sipping wine She stopped at two naked females passionately exploring each other s body Blankly staring at the screen she finished the bottle of red wine consumed her precooked fast frozen meal in a container and had changed to white wine without noticing the difference Tossing the empty dish onto the coffee table the fork bounced off and landed on the newspaper She bent down to pick it up The ad she had read to Taylor caught her eye What the hell She picked her laptop up off the coffee table typed in the website then

clicked on e box twenty four Hi I m Derek I m looking for a woman I don t want a girlfriend or a lover Just a mutually sexually satisfying companion The work will be minimal and the pay will be excellent If interested email me your name an introduction 100 words or less and a photo to entice me to hire you Arianne drank her wine and stared at the laptop screen for fifteen minutes while she had a mental debate The yes voice in her head won out The wine may have helped She linked the digital camera to the computer then walked to her room and stripped She stood in front of the small mirror and tried to choose her sexiest pose Having chosen the conservative one of standing with her hands at her sides legs spread apart Arianne positioned herself in front of the camera and clicked the trigger In a moment the picture appeared on the screen Appraising her body Arianne smiled soft curves ample breasts and a neatly trimmed puff of hair below her belly button It was a sexy body not ravishing like a movie star s but it had enticed a few of the male gender With some careful editing she deleted the background of the picture until all she had was a naked headless picture of herself She attached the photo to an email and began to type her message My name is Arianne I m 25 and recently unemployed so I m ready to explore any job opportunity Especially one that will pay an excellent salary I keep in shape I like to party but I don t do drugs I m not a virgin but I am clean no STD s I ve never done anything like this before I don t jump into bed with every guy I meet I m just a regular girl pushed into a corner and is desperately looking for a way out How much is excellent pay She hit the send button No turning back now While online she did a daily depressing search of the job listings As she was about to click off she noticed her email icon was flashing Hello Arianne This is Derek I am 28 and employed I also like to keep in shape but I enjoy a lazy day doing nothing but watching TV There will be no drugs involved only sex I don t have the time or the patience for a relationship Job description service me at least once a week say every Tuesday I will supply an apartment for our meetings I don t want to wine and dine you There is no emotional involvement Pay how does 8 000 a month to start sound Reply Derek Sounds pretty damn good
